Woods Army

CCC Passes on After Doing a Big Job

In the arms of War, aid with a first loss of Congressional anaesthetic, the civilian Conservation Corps prepared to lapse into limbo yesterday.

A Passing

Palmetto Politics Go On Rationing

It needs a James Whitcomb Riley at this hour to mourn the passing of the boys of the South Carolina and auto, the political caravan, half camp-meeting, half open-air forum, has wended through the dust and sand of the unique land of South Carolina, almost to its end.

A Clerical Job

The Council Falls Out Over an Extraneous Issue

It is hard to see just why the City Council should disagree, to the point of disrupting entirely its starting line-up of the Seven Iron Dukes and the Four

Noah's Noun

Webster Foresees the House Divided

Neither heroic etymologist Noah Webster nor his successors had any doubt of their obscure noun, dichotomy. Rooted in ancient Greek, it toils, deep in the heart of the dictionary, a warning.

Ex-Beast

Heydrich Has Attained A Satisfactory State

Now, on the ninth day, Reinhard Heydrich is dead. In those days since unbroken, assiduously turned machine gun and bomb upon the master killer of the Gestapo, Berlin has been reporting his condition as serious.

Setting The Dogs Against The Dogs

By Dorothy Thompson

the result would be on the morale in the conquered countries. True, as has been com-

mentary, the bombing and rule will continue to fight in any case.

But it is just human to want to see the bulk of public opinion of the world.

We say that this is a people's war, but we do far too little to demonstrate that it is.

We actually do take reprisals for the bombing after cities. But terror, of which the shooting of innocent hostages and the torturing of the chief instrument, is allowed to go without protest.

And even we have become so callous that we no longer react normally against the appalling lawlessness of what is being done.

The attitude seems to be "How otherwise can they govern the occupied countries?" The terror is taken for granted.

Now, to that I must repeat: Occupied countries have been governed before. Germany, for instance, was partly occupied by Britain, France, and the United States after the last war, and there was sabotage and even attacks on the occupying forces.

precisely in the Ruhr territory. But never was a hostage shot. Every

absover who was apprehended was tried. A Nazi national hero was killed in a battle who was shot by the French for blowing up a bridge. But Schlegel committed his crime as a man who had become somebody else had done it!

It is not our business to give aid to the Nazis now to rule the conquered countries, but it is our business to protest and to rule and to govern by naked terror.

The only way we can raise it out is to let the Gestapo know that they will share the fate of the victims of the Gestapo, and that they will share the Gestapo.

The theory is also advanced that the German people cannot be trusted to govern themselves. The theory is also advanced that the German people cannot be trusted to govern themselves.
