polygiot people who make up the cosmopolitan, complicated community.

A year of Allied occupation has been for civilians a future free of Facelam that left them confronted with a present full of hardships and denilal. They have seen the progressive victories of Allied arms in the Mediterranean theater and foresee the eventual triumph of Allied arms throughout the world. Yet Arab and Frenchman, Jew. Syrian, Spanfard and war riuge of whatever nationality still has the ever-present problem of how to obtain enough to eat and wear in an era of increasing shortages and rising prices.

"We are better of multi-victorial and the community of the property of the community of the community of the community of the community of the property of the community of the property of the community of the property of the community o

are better off militarily one French civilian told me, otherwise we are in worse whan when you landed last market then but now
