Today's Poet

DeCasseres Sees That Private Enterprise Is Our Lone Hope

In the pages of The New York Journal-American the able writer Benjamin De-Casseres wrote what we consider the most lucid statement to Americans in most jucid statement to Americans in many a moon. Through the National Industrial Information Committee, we happly reproduce his words. If any man of our time has said so much for our way of life in so few words, we have not read him;

I am the Spirit of Private Enter-

Wherever I have existed freedom of mind and body have existed.

Wherever I have been murdered by collectivist laws and governmental strangulation freedom of mind and freedom of body have died.

I was the physical lever of Alhenlan civilization. I died in the collectivist feudal

I was resurrected in the Renais-sance, beginning the modern age.

With the rebirth of free private grading came the vastest expansion in the arts and sciences the world has ever known.

I. Private Enterprise, have brought I, Private anterprise, have orought men of the same countries and men of distant countries closer together in friendly intercourse than all the Socialistic and Communistic doc-trines combined.

My trade routes have been the routes of human progress.

I am the expression and sustainer of all that is lordly in the human soul—Self-Reliance, the Adventurous Spirit, emotional and mental Initiative, Ambition, and Inventive Resourcefulness.

With my rebirth in the Renaissance the human level of living began to rise,

The shackles on slave labor began to rust and crack,

Money became international.

Man at my touch took on some-thing of the aspect of a creative god 1, Private Enterprise, built Amer-

The Institute accuses the AMA of being incomplacy with distining and the Government to incomplacy with distining and the Government to make the control of the post-war period.

La Guardia's Oleo

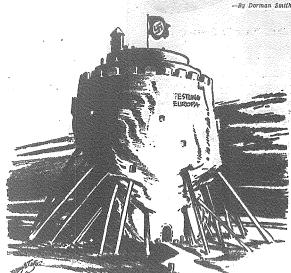

Mayor Florello La-Guardia of New York likes to use the "T-formation," or lighthing attack, in ap-pearances before Congressional committees. An experienced and very able former Congressman, he keeps others on the defensive while he drives home his keeps others on the defensive while he drives home his points. However, Fearless Fivellie gained little yardage through the House Agriculture Committee when testiffed for a bill id eliminate an elementy-testion to the senting of a bill to eliminate and the same an alled him at the start by inquiring when La Guarda had changed his position on clee.

"In 1921, we had a bill to regulate clee and the position of the position of the position of the special position of the special for it."

"T got in trouble with Bill Green an action bill once," confessed La Guardia, "Bill was fer it and I was against it."

"No. it was the other way around," instated Mope.
"The record shows that the gentleman was for the
bill and Green against it." The Kansan geoted from
La Guardia the remarks in 1931, bearing this out. La
Guardia thirdied uneasily in his seat. Hope's col-leagues gigsled.
"On wail, we were not at war then, were we?"
It wail, we were not at war then, were we?"
The breast hill was an "emergence" measure.

Old Home Weak

Hope From Moscow

By Raymond Clapper

WASHINGTON

IT IS no longer a dream, but a real possibility that

to a large extent, the human race may be able to
strifted itself from the bondage of war. Certainly
the Moscow four-power declaration offers opportunity
to put an end to this recurring curse of wasteful,
to put an end to this recurring curse of wasteful,
bas set off twice in this generation. For the first time,
we when the opportunity to change the meaning,
of war. Through the Moscow declaration, it is possible for the nations on our diet to stay together

Everyday Counselor

Great Change

By Rev. Herbert Spaugh

WHAT a conderful change comes into our lives when we make the condense of the condense with the condense was a condense to the condense of the heart, even our enemtes are classemed. The Secretary tells us, "When a man's ways please the Lord, He maketh even his annales to be at peace with him." (Provers) 15(7)

namies to be at peace with him." (Proverbs 15.7).

A lotter on my deek now gives absurbant proof to these assections. It is from a years man who has had a hard strengte in
He. Hense navicament, physical health, a deep juristrainty compiler
made him robolilous in spirit and outspaken in speach. He attension
others from him which made him all the more bitter. New its a
work through his life. There is a new note of triumph in the
work through his life. There is a new note of triumph in the
letters.

Some people try to bettle their way through life trusting in their own strength and wisdom. Henley in his poem, "Invictus" describes such, "I am the captain of my fate, I am the master of my soul."

Derethen Day has paraphramed thin belligerent and rebelleous poets in one of her own, in which she concludes, "Christ is the Mas-ter of my fact, Christ is the Capitain of my soul." Nor peen, "My Capitain," offers a serking contrast to Mesley's. Look those up and read them. They will site your only.

read tases. Tasy was arr year seal.

One of the joys of the ministry of this column is those testimonials which come to this desk from men and women who have learned to which come to this desk from men and women who have learned to the third this was the seal of the seal of the seal of the third third this was and dispositions changed; their outlook broadened. Their new-found love for Ohriss has found expression in love and service to their fellow man.

No Statesmen

Tub-Thumpers

By Samuel Grafton

SENATOR Russell, of Georgia, says we ought to have a fiveten policy.

He says we don't have any. He says we need one badly, right
meditarion, the says we have been done badly, right
meditarion, the says we have been done badly, right
meditarion, the says we have been done badly, right
meditarion, the says we have been done badly, right
meditarion, the says we have been done badly right
cage. As an example of sound foreign policy, he thinks we ought to
try to obtain permanent possession: of French-owned Mew Caledonia,
and thus be solve forever after to use that island for our defense, \$6
says the Senator, rather presump kiniself as a senational realist.

But let us go back to fundamentals for a moment. What is a foreign policy? A foreign policy is a policy by which we may hepe to cultivate our friends and isolate our enemies. It berrow the brick definition from Mr. Watter Lippmann, whose potient, pounding of this point is one of the fine public services of our times.)

Now then, what is Senator Russell up to? France is our friend.

Is it a part of sound foreign policy to make territorial demands on a friend? Lan't the whole point of Senator Russell's position that it would solate a friend, and perhaps convert it to an enemy? And is that a foreign policy?

hat a foreign policy?

In the same speech, Senafer Russell calls for American nequisition of rights, including commercial rights, to air bases around
the world, many of which are Sritish. But British, tes, is owe
that the same speech of the same speech of the same speech
the foundations of our foreign policy, if we are ever going to have
one. Senafor Russell prefer to cultivate British healtify. The
Senator may think he has a foreign policy. On the ortificace, it
looks more as if he has an icho, or a yea.

If we have made any minate in our foreign policy toward France,
If we have incurred her potential healthig by our ambiguous
It is that we have incurred her potential healthig by our ambiguous
attitude toward General de Caulle, and toward the Frunch underground
movement: toward those elements which are certain to be in embrodrive the state of the new foreign policy error, it may
some day prove a tragic one. But New Caledonia is no issue, We
have New Caledonia as a base now; we are using it this minute. For
the Senator to make an issue of that which is no issue, it, if submit, no policy.

mit, no policy.

But to have France on our side, forever; not only to have the use of New Caledonia to help keep the pance of the world, but to be able to throw the whole weight of Erners hereaft dresses realized in the control of the pance of the pance of the world of the pance of the weight of the pance. If they were, then Bilder's foreign policy would have to be described as the most realized the world has ofer some in Der Tuchrue was a gifted that himper. But, as a matter of fact, Hilder's foreign policy turned out to be described as the most realized the world has ofer some in Der Tuchrue was a gifted that himper. But, as a matter of fact, Hilder's foreign policy turned out to be described as the most realized for succeeded only in insisting himself and in friend measurements. But the pance of t

couraging and uniting his ensembs.

What value has New Caledonis as a base against forms future agreesor, compared with the use of France Itself as a base, and the French people as eager assistants? What use is some fles-thie of a British island, compared with being able to throw the whole British Empire into the scales? The worst of Sentaer Russelfi a alleged resilience of support. I have never seen anyone that or off room all natural sources of support. I have never seen anyon the sources for himself behind the eight-ball.

The Senator would leave us all alone in the world, and he calle that a policy. He would give the French and the British, and by his character is the senator susually as the senator susually and the copied as a community of interest in opposing us, and he calle that a fine the senator susually special control in the gap. It is not better than what we have had, it is only induced.
