

United

New Allied Commander in India and Burma

(Continued from Page One)

Operations, which includes the famous Commandant, with the rank of acting Vice-Admiral.

The newly-constituted command which the 43-year-old Macmillan has taken over...

While Churchill's movements were obscured by a veil of censorship, British officials did not discourage speculation that the Prime Minister might move on to Washington later after stepping up from the Quebec War Conference...

But the President and Prime Minister themselves said discussions will be in order among various Governments concerning the administration of territories to be liberated in Europe.

The first of these announcements was issued last night as dispatches from Africa and India had recognized the French Committee and that envoys were being exchanged.

Beyond that announcements will be made on the commander or commanders for invasion forces to be loosed on Europe.

It appeared likely that decisions taken with respect to destruction of the European for might be reinforced similarly by disclosures of names of commanders.

Mr. Roosevelt's Ottawa address handed the German left-handers an invitation to get out of the rubble which their brutal policies of force brought on the world.

Back of that invitation was his knowledge of the secrets of Quebec, of the plans perfected there, which he said would be brought home to Germany, Italy and Japan in due time and in the only language their twisted minds seem capable of understanding.

ITALIAN BATTLEGROUND—Military observers predict that even if the Axis abandons Southern Italy, it will seek to defend the important industrial area shown in this map.

Council Marks Time On "Hot" Questions

Mayor Baxter Names Citizens To Committees On Health Dept. and Taxicab Matters

By DICK YOUNG Charlotte News Staff Writer

Charlotte by three weeks accumulation of routine matters, members of the City Council signified their weary season yesterday afternoon by what they did not do.

First, through announcement of Mayor Baxter, they postponed consideration of the proposed taxicab ordinance that would require the so-called dime cabs to maintain office-street headquarters.

They also deferred consideration of local doctors' recommendations for a six-point improvement program for the City Health Department until next Wednesday.

Secondly, they postponed consideration of a committee study of the proposals and to be ready for advice to their colleagues when the doctors appear next Wednesday at 3 P. M.

CITIZENS NAMED Mayor Baxter lifted the committee appointment out of the humdrum by naming citizens representatives as the full personnel of the committee. He did the same thing for a committee named to investigate the taxicab problem.

Members of these two "hot points" committees are: Health Department, Councilmen A. B. Baker, J. Murray Atkins and A. G. Lee, and taxicab: Councilman Charles H. Daugherty, L. B. Palmer and Lee Copeland.
