boys and girls would be sent to labor camps.

Tom Dewey said that the New Deal sought a totalitarian form of government, and said that if the Administration could perdement of the Administration could perdement to the Socialism of the New Deal to the Popular Front which vereked France. Wilkie's aid the New Deal led to Socialism. And the Gallup Poll, far more accurately than in its prediction on the eve of election, had only three states in what turned out to be the wrong column.

wrong column.

We've been through most of
this before, and the war hasn't
changed us much, politically.
The only likely difference, this
time, is that the race will be
closer.

Mr. Dewey Has Completed A Jump Over The Globe

A Jump Over The Globe
Governo Dewey, a dow start,
er, has made more rapid proper
ress in the field of immensial relations than any conditions
in memory. For a man who began his development in this
field by condemning Lend-Leaser
because it threatened the end of
a free America—but later endorsed it after its passage—br
has come a long way This week,
attacking the President's 'serest" diplomacy, he cried that ectacking the Fresident's Screet" diplomacy, he cried that we must make certain there are no reservations to American participation in a world organiza-

DRESIDENT ROOSEVELT made an import at revelation to Italo-American publisher Genero-so Pope, the other day, when he disclosed that in 1933 he had written a letter to Mussolini urging him not to engage in a heavy armament race which might plunge the world into war.
