

Spaaz's An Ace At The Poker Table Too

By WES GALLAGHER
(Substituting for Hal Boyle)
LONDON.—(AP) Gen. Carl A. Spaatz, commander of the U. S. Strategic Air Force, and Lt. Col. J. C. Baker, chief of the command in the Mediterranean, and their staffs work together on matters except poker. Each staff 600 men, except for the matter of personal honor, to the visiting General and his cohorts in the Mediterranean. Occasionally a tape-recorder on the desk catches the General's words.

Spaatz is one of the earliest players in the Army and he is seldom caught. But on one trip all was joy in the Spaatz camp. Then weather delayed the plane and Baker sat down with the General and the staff. He went down around 6:15 and the game on the Spaatz became very lively. The General, who is a poker player, was not only made up of all his own losses, but he was also a good player. He was a good player, and he was a good player.

The British desire to make Americans feel at home sometimes has its amusing side. But while the British are not lacking in generosity, they are not lacking in a sense of humor. They are not lacking in a sense of humor, and they are not lacking in a sense of humor.

Underground reports say the Nazi state's "Horse West" has been restored to general use. While the Nazi state's "Horse West" has been restored to general use, it has been restored to general use. It has been restored to general use, and it has been restored to general use.

Dutch and Norwegian Governments here are perturbed that Britain and the United States have not seen fit to make details of any agreement for governing their respective countries. They have not seen fit to make details of any agreement for governing their respective countries, and they have not seen fit to make details of any agreement for governing their respective countries.

Nazi Attack Turned Back

ALLIED HEADQUARTERS, Naples.—(AP) Italian troops on Mt. Marone, fifteen miles northeast of Cassino, have repulsed a German counter-attack. The German counter-attack was repulsed, and the German counter-attack was repulsed.

Elsewhere along the front there were heavy artillery duels and sharp patrol clashes at many points. The German counter-attack was repulsed, and the German counter-attack was repulsed.

At a lower level in which the Germans were believed to be using for observation purposes was demolished by artillery. The German counter-attack was repulsed, and the German counter-attack was repulsed.

New York Governor May Get 18 Places; Stassen & MacArthur Tied

MILWAUKEE.—(AP)—Gov. Thomas E. Dewey swept ahead today toward a possible eighteen of Wisconsin's 23 Republican National Convention delegates in his return from yesterday's Presidential primary. Wendell Willkie ran last in a field of four, with indication he would not get a delegate.

Gov. Dewey, who had been defeated in the State's 1936 election, was tied on the basis of the incomplete but representative results with Gen. Douglas MacArthur. Dewey's pledged delegates were 18 and three claimed.

Hear Truce With Allies Is Desired

Say Course Urged On Antonescu

NEW YORK.—(AP)—A broadcast from London today quoted dispatches from Turkey as saying that Premier Antonescu of Rumania will seek an armistice from Washington, London and Moscow.

A correspondent, Thomas Grandin, said such a course had been urged upon the Premier by an embassy he said to have been sent to Cairo to negotiate with the United Nations.

Grandin said that the Germans no longer will be able to hold the Balkans. "Nothing would be less surprising than a complete collapse of Rumania," he said.

The Associated Press had no confirmation of the report, which came late last night. It said that the Germans no longer will be able to hold the Balkans.

Much Damage In Bucharest Attack

ALLIED HEADQUARTERS, Naples.—(AP)—Strong formations of U. S. Flying Fortresses and Liberators in their first attack on Bucharest yesterday, caused considerable damage to the railway yards through which German supplies roll to the Russian front and left one-third of the Rumanian capital covered with a heavy cloud of smoke, headquarters announced today.

First reports indicated that the German heavy bombers shot down 46 planes in a battle lasting more than an hour and that the bombing had caused considerable damage to the railway yards through which German supplies roll to the Russian front.

Marshes Lying Before Suburbs

Zhukov's Army Pushes Toward Approaches Of Polish Frontier

MOSCOW.—(AP)—Russians battered their way through the Black Sea marshlands which lie before the suburbs of Odessa today, moved within eighteen miles of the Polish frontier and steadily liquidated the Tarapopol garrison and the last survivors of fifteen trapped divisions at Skala.

The extreme right flank of Marshal Gregory Zhukov's First Ukrainian Army pushed on beyond Gorkov in the area between Lwow and Lutsk to the approaches of the Polish frontier.

The Russians are far beyond the Polish frontier but Moscow recognizes the boundary established with Germany after the last partition of Poland.

Pressing through the outer defenses of Odessa, the Russians smashed one stronghold after another. The battle for Odessa was swiftly approaching a climax, and Gen. Rodion Malinovsky was reported gearing his troops for storming operations.

Press reports said the German Air Force, north of the Upper Danube, had abandoned hope and were blindly carrying out Hitler's orders to fight to the last bullet. An invisible correspondent, who flew low over the Skala "kettle" said the Nazi position looked like a cypress swamp.
