# The Men Who Manage Wachovia

Fiers at Wachavia, the officers and members of our local Board have been chosen not only for or ability and experience but also for their knowledge of the business and industry right here in the community , , , civic motters , . . the

instinctively, they supply the on-the-spot viewint, so necessary to any satisfactory grasp of local problems that confront Wachovia customers.

And, at the same time, these men are part of a state wide bank that keeps them in close touch with other important business and industrial centers. This broadening influence often proves to be a valuable part of the service a Wachovia eutstorner receives—an asset we would like to share
