Philippines

In the Philippines, the last official word from our side placed General MacArthur's men 40 miles from Manila. A Tokyo broadcast later said that Mac-

Churchill Calls For Full Victory

LONDON—Prime Minister Churchill endorsed today President Roosevelt's declaration that the objectives of the Atlantic Charter remain valid, though not all could be achieved immediately.

6th Army Drives Nearer Manila

GENERAL MACARTHUR'S HEADQUARTERS, LIZON (AP)—Sixth Army motor and column are rolling down a twisting provincial road within 98 miles—80 miles air-line—of Manila against no more opposition than an occasional sniper but other yank forces are in a foot-by-foot fight with hill-entranced Japanese on the extreme northeast flank defending the vital Manila north road.

Denies Front News 'Doped'

LONDON—(AP)—War Secretary Sir James Grigg and today Allied Supreme Headquarters had denied that propaganda considerations were entering into the censorship of war correspondents' dispatches.

Italian Front Fairly Calm

Denies Front News 'Doped'

LONDON—(AP)—War Secretary Sir James Grigg and today Allied Supreme Headquarters had denied that propaganda considerations were entering into the censorship of war correspondents' dispatches.

Italian Front Fairly Calm

ROME—(AP)—Deep snow and poor visibility brought a comparative calm today to the Fifth and Eighth Army fronts in the high Apennines and the eastern Po Valley.

ROLES OF WORLD WAR I—Reminiscence of World War I says, these American infantrymen board a '46 Hummer, 3 Chevrolet cars in France, carrying full field packs. The words on the box car give it a capacity, '46 men and 8 horses, lengthwise. (Signal Corps Photo from Army.)

Bold Blow Struck

Fleet Planes Hit Key China Ports

U. S. PACIFIC FLEET HEADQUARTERS, Pearl Harbor (AP)—Swinging north from the Indo-China coast where they sank or damaged 69 ships, U. S. Third Fleet pilots bombed Hong Kong, Swatow, and Amoy, along 850 miles of China's coast, Saturday for the first full-scale carrier raid of the war on these ports vital to Japan's lifeline.
