War Plans

Last week Walter Winchell sent every...

per 1,000 as compared with averages...

There would seem to be no need for the services of the midwife in Charlotte...

Howdy, Strangers

Don't look now, not until the polls close...

It is a statistic which we offer without the slightest disapproval...

One of the peculiarities of Charlotte, and at the same time a factor in its progressiveness...

Unless there are some of the Alexanders or the Davids...

Mr. Pauley's Job

President Roosevelt's main leader Lubin, the far-famed "Lubi", is unhorsed...

Five Midwives Yet

When our Miss Sproles wrote about Charlotte midwife in Saturday's News...

Mr. Lubin remains at his right hand, as adviser with the rubber mallet...

But well be seeing, ere long. And as soon as our policy is discernible...

"Oh, boy!" cried the G. I. as he wandered into the loot-filled salt mine...

Statesmen At Work

THE ANTI-ROOSEVELT (Cal). We all know that, in addition to the Japanese...

to the hundreds of brave young United States Marines who fought and died there...

DOWN by the waterfront where ships sail in from the Pacific...

Almost every day they come in and are rolled out...

Rio Etaniamio Three years ago at Rio de Janeiro, another conference...

At San Francisco—how different. No delegate had a chance to speak...

And Over The Alps Lies Italy

The Monstrous Nazi Deeds

WASHINGTON HITLER'S doctrine that the bigger the lie, the bigger the chance it will be believed...

Apparently there are still people in this country who put men in the military...

From West To East The Army is working today on a new plan to accompany "Two Down and One to Go"...

Conference Cross-Currents Instead of playing national anthems at the opening of the conference...

Not only Stassen's aide, a 20-year-old Marine and a 24-year-old soldier...

"Bob says Mania is one of the most interesting cities he ever saw—his he's met a nurse he used to go out with here at home!"

People's Platform

Editors, The News: That was a fine editorial, "Two Veterans," in last week's News...

Prisoners To Hospitals? Editors, The News: They aren't normal times...

See Argentina By Samuel Grafton NEW YORK

When a Fascist country "de-WE" clares war on Fascism, you are bound to get some peculiar results...

The Monstrous Nazi Deeds

WASHINGTON HITLER'S doctrine that the bigger the lie, the bigger the chance it will be believed...

Quote, Unquote

I appeal to every American regardless of color, race or creed to support our efforts to build a strong and lasting United Nations organization...
