"LEVELAND—Capitalizing on prejudice and discontent.
the Nationalists Party of former U. S. Senator Robert.
Reynolds is seeking to weld the dissident groups of the unitry into an organization which he hopes will become dominant force in American politics.

The party is preparing to make a bid for Congressional cats in the elections of 1946. With a program of racial atred, exploitation of laboratorship, it expects to gather enough strength by 1948 to
