# Peace & Hirohito

Donel never had such good news for Americans as at was blurting carly this morphing. After the first sheek of unbelief that the end was really at hand, the third was not secured as we might have expected. On the streets where ropies of The News were down rapidly, for instance, there was no such excitement as we had see; on V-E Day, That, we ruppose, was because this day had become almost mevitable with the dropping of the first atomic bombs and the drive of the Rassana atmics min Manchuria. The offer of Japanere surrender was all but anti-climars.

The caperness with which folks at home waited for more meas was wrapped, up of course, in the men who are mith Parellic now, or on their way there for the final kill. It was beaund up in the lower-held visions of the post-war world, of the return to prace instead of destruction, of an end to bardship and suffering We suspect most people didn't step to quibble about the Japanere terms, continued power tor Hirohite must have floured with the Japanere terms, continued power for the proton and relief.
