On Hospital

. New Slogan On Guam Is Golden Gate By Sept. 8"

THIS IS THE PLANT THAT JONES BUILT—This is an air view of one of the giant production plants at the Clinton Engineer works at Oak Ridge, Tenn., which was built by the J. A. Jones Construction Co. of Charlotte. This tremendous plant is just one part of the Oak Ridge atomic bomb project constructed by the local company. Associated with the local company in the work at Oak Ridge were Garrison and Hopkins, plumbing and heating company of Charlotte: Hopkins and Hicks, plumbing and heating company; and the Charlotte Pipe & Foundry Co., which supplied materials.
