ONE BLUE BABY

MOST Americans—and probably decent persons everywhere—have big hearts... A news story about a girl with an ailing hand...

And in Dunn, N. C. this week, when Dr. Randolph Doffermeye told the State about Edith Joyce Chance, a blue baby who needed an operation to save her life...

First to chip in was the Fayetteville Exchange Club. Their check for \$50 got to the hall rolling. Harnett County folks added to it...

Dr. Doffermeye and the people who provided the funds for the child's hospitalization... It is certain that this particular youngster can never expect to receive adequate medical care...

But what of the thousands of other children and adults who are sick, unable to pay for hospitalization in counties where Welfare Departments have used up their appropriation?... Dr. Doffermeye accused the Harnett

FACTPHILES

IT GIVES me people great pleasure to be able to tell you that George Clinton and Rufus King were the vice-presidential candidates in the election of 1904... There are different sorts of factophiles...

There are different sorts of factophiles... There are sports factophiles: "Did you know that L. M. B. Melville won the Brit-

PEAS AND PREFERENCES

IT TAKES all kinds, as the saying goes, so it's impossible to predict what aspect of the peas will get a question... To get a true appraisal of the peas, the Army is duty-bound to serve them with coffee...

Some Old-Time Customs

I LAST WEEK published a brief comment in connection with a remark made by Senator Clyde H. Hoey... The Senator explained that this was a custom prevalent in Cleveland County...

A letter came in a few days ago from Mr. A. C. Stephens of Red Springs that had something to say about this subject... "I have been reading of riding the fantasic."

The child is able-bodied parents. It is their responsibility... She followed that up with a statement that the child would already have received medical care...

"Could this not be interpreted," she asked, "to mean that the American Medical Association is giving the brush-off to hundreds of little Edith Joyce Chances?"

Obviously, more opposition to the President's compulsory health insurance program will not help the Edith Joyce Chance. The AMA will receive a great deal more public support in its campaign...

Winchell Gets Shaved

DREW Pearson's shaving... Winchell's shaving... Winchell's shaving... Winchell's shaving... Winchell's shaving... Winchell's shaving...

Gen. Groves Has Sudden Change Of Mind

Two chairs were occupied, but a third chair was vacant... The Vice President of the United States started to enter the himself... "You can't use that," protested the barber...

Observances Of Christmas

Every Yankee who comes South was impressed with the fact that the observance of Christmas here at Christmas... North they are used only on the Fourth of July...

A couple of hundred years or so ago, houses in the eastern part of North Carolina were not as close together as they are now... Tom Brown, who loved a little more...

Children didn't have guns. They saw their fathers and big brothers exchange Christmas salutations in this manner and naturally they wanted to participate... They'd get big baggy bladders...

Other means of making a noise were used, and finally all this resulted in the general use of fireworks on Christmas time... "The week has faded out of the picture in recent years."

People's Platform

THESE best books considerable public interest in the recent conviction of Nathan T. Corn... People's Platform... Circumstantial Evidence Hit...

Friday Afternoon

Friday afternoon we were talking about all this to Earl Johnson of Raleigh, and he told us that when he was a youngster the kids used to go around in their own manner as Mrs. Moore talks about... "I remember that the boys that were out there...

Ex-GI, With Mama Along, Returns To South Pacific

I WILL NOT pretend that I am not excited, for Daddy's off to the seven seas again and may very well never see me again... Ex-GI, With Mama Along, Returns To South Pacific...

It looks very much as if the Harnett County people will have a different opinion from your correspondent... I am just curious to see what Harry Benders will say...
