Plan To Ease Britain's Dollar Crisis Is Awaited

SEATTLE GAMBLER

Stop-Gap Scheme Is Worked Out

Long-Distance Solution Sought

By JOHN SCALI
WASHINGTON (AP)—A tentative six-point plan for helping Britain out of its financial crisis is expected today from final discussions of American, British and Canadian fact-finding officials.

Representatives of the three governments have been meeting twice daily for the past week to explore the problem. The plan is expected to be completed by the end of the week. It will permit their foreign ministers next week to discuss the plan.

1. Reducing further British purchases from the United States and increasing exports to non-dollar areas wherever possible.
2. Streamlining American customs rules to encourage more British exports to send their goods to the United States.
3. Revising provisions of the 1946 British loan agreement to permit Britain to slow up purchases of American goods in favor of those from non-dollar countries.
4. Boosting American purchases of British commodities and raw materials from the United States and other non-dollar areas.
5. Increasing American economic help to southeast Asian members of the British Commonwealth to ease their dollar difficulties.
6. Encouraging the United States to buy British commodities to stockpile for an emergency.

The plan also includes American economic help to southeast Asian members of the British Commonwealth to ease their dollar difficulties. The plan also includes American economic help to southeast Asian members of the British Commonwealth to ease their dollar difficulties.

Germans Visit Western Zones

FRANKFURT, Germany (AP)—Thousands of Soviet-Germans took a tour of the Western zones of Germany yesterday and went West.

The tour was sponsored by the Soviet government and was the first of its kind since the end of the war.

By nightfall most of them, loaded with food, clothing and other goods, had returned to the Russian zone.

Once Over Lightly

By WALTER REICHERT

Some of these days you're going to have to talk to yourself. You can't have a lawyer up your nose. After most people, the things they thought would make them happy, they ain't.

Rutledge Near Death In Maine Hospital

YORK, Me. (AP)—Supreme Court Justice Wiley B. Rutledge, who is near death at York Hospital, lapsed into a coma today.

The 65-year-old jurist has been a patient with a circulatory condition since last Saturday.

Oxygen was being administered to him.

Dr. Fred A. Geier of Washington, D. C., the Rutledge family doctor, was here for the second time this week, remained in York.

Attending Justice Rutledge also is Dr. Roger Tower of the hospital staff.

At the hospital were Justice Rutledge's wife, their son Neal, and their daughters, Mary Lou and Joan.

The family was vacationing at Ogunquit, a nearby seashore resort, when he was taken to the hospital.

Some Mines Holding Coal Royalty Funds

WASHINGTON (AP)—John O. Gall, attorney for the Southern Coal Producers Association, said today that a "substantial number" of coal companies withheld the 20-cent mineral royalty payments due Aug. 20.

Neither John L. Lewis nor Lewis called a meeting of the trustees of the fund this week, but had not yet done so.

Segregation Of Races Upheld

ALEXANDRIA, Va. (AP)—U. S. District Judge Albert V. Bryan has ruled that segregation does not violate the Constitution or acts of Congress.

Bryan made his ruling yesterday in dismissing five counts of a \$50,000 damage suit brought by Mrs. Helen Wade Washington Negro, on grounds she was refused service at the Washington National Airport dining room and coffee shop Feb. 17, 1947. He held that all Feb. 1947, Virginia's segregation laws which segregation is unconstitutional.

Bryan left standing one count asking \$10,000 damages from Air Transport Service, Inc., for loss of the restaurant. In this count, Mrs. Wade charged that the restaurant operators failed to provide her with seating facilities equal to those provided for white patrons.

The Washington airport is on the Virginia side of the Potomac River. In 1947, Virginia's segregation laws were applied there. Last December, the Civil Aeronautics Administration issued a regulation ending segregation at the airport.

Chinese President Appeals To World

CANTON, (AP)—Acting President Li Tsung-jen of Nationalist China today appealed for joint efforts of all peace-loving people against international Communism.

In a statement commemorating the fourth anniversary of the victory over Japan, Li refrained from asking directly for American help against the hard pressing Chinese Communists. The Reds have pushed into Kwangtung Province, in which this provisional capital is located.

"While it is the duty of the Chinese people to defend their own land by their own hands, we are nevertheless appealing to the peace-loving people of the world to help us in our struggle against the approaching danger and should we be unable to do so, we will appeal to the aid of our common foe, the U. S. S. R."

Wyoming Discovery Important One

Remains Of Primitive Hunters Found

By ART EVERETT
NEW YORK (AP)—Extensive remains of a primitive group of hunters, who roamed the American West thousands of years before the first white men, have been unearthed near Cody, Wyo. It was disclosed here today.

Dr. Jesse Lee of the University of Pennsylvania said the Wyoming camp site was dated by the bones to between 5,000 and 12,000 years before Christ.

By called the find one of the most important ever made in connection with the culture of the Indians, the nomadic group who disappeared centuries ago as a people.

Dr. Lee said the site was the earliest known habitation of the New World.

Lucas Sees 60 Million On Pay Rolls

Democratic Leader Is Optimistic

WASHINGTON (AP)—Senate Democratic Leader Lucas (Ill.) predicted today that the nation's employment total will climb above 60,000,000 this fall.

"We are approaching the Fall season, when business activity usually rises," Lucas said in his weekly summary of Capitol activities for radio broadcast in Illinois. "I believe the number of employed will pass the 60 million mark in the next two months."

Lucas said a "recent adjustment" of \$200,000 to complete the drive by the National Development Committee of activity in some sections of the country with about 4,000,000 seeking work.

"Our Government is very much concerned about them," he said, "and we are taking steps to channel Federal projects into sections where the need for new employment appears to be greatest. The results of this policy are already being felt."

One of the controversial features were removed from this bill to obtain quick Senate approval.

Lucas said the bill would be similar to a Senate House agreement. It would be similar to a Senate House agreement.

Japanese Storm Death Toll 95

TOKYO (AP)—Landslides and floods in the wake of a violent typhoon killed 95 people in Japan on Sept. 2.

The latest National Police estimate said 417 injured and 40 missing. More than 50,000 were homeless in the Tokyo-Yokohama area.

Heavy rain fell throughout the day. It was the heaviest rainfall, not overflooding rivers, which caused the floods in low areas of Tokyo. Backed up water halted all rail traffic between Tokyo and Yokohama, stranding large numbers of commuters.

The Tone River, which threatened Tokyo with flooding, ran bank full.

Nine of the additional deaths reported today were caused by a landslide near Urawa, northwest of Tokyo.

The typhoon hit this populous area on Friday Wednesday.

THEY'RE LOOKING FOR \$700,000

Davidson Campaign Extended

Consider the problem of raising a final \$700,000 are these four leaders in Davidson College's \$2,500,000 development program. They expect the fund-raising campaign to continue throughout the year and perhaps into 1950.

The executive committee of the National Development Committee, meeting at the Barringer Hotel this morning, were informed that the Davidson campaign might extend into 1950.

After hearing that \$100,000 had been reached of the \$2,500,000 goal, the committee members proposed immediate renewal of efforts.

'Shanghaied' Sailor's Story Is Told To Court

WASHINGTON (AP)—A Navy court-martial board today heard a "shanghaied" sailor's story that he didn't really desert his ship in 1947 but was shanghaied into the French Foreign Legion.

The court was expected to reach a decision late today after hearing argument from young Ryan's attorney, Walter H. McCormack, and the Navy's lawyer, John C. Quinn.

Heavy rain fell throughout the day. It was the heaviest rainfall, not overflooding rivers, which caused the floods in low areas of Tokyo.

Backed up water halted all rail traffic between Tokyo and Yokohama, stranding large numbers of commuters.

The Tone River, which threatened Tokyo with flooding, ran bank full.

Nine of the additional deaths reported today were caused by a landslide near Urawa, northwest of Tokyo.

Costello Wanted As Witness

Links With Helis, Vaughan Hinted

WASHINGTON (AP)—Sen. McCarthy (R-Wis.) said today he will insist that Frank Costello of New York, reputed "slot machine king," be called as a witness in the Senate investigation of "five per centers."

"I think Costello is a very important witness," McCarthy told a reporter today.

McCarthy is a member of the Senate investigating committee which has been digging into the question of whether there has been improper influence in the Federal campaign. He has mentioned Costello several times during the hearings.

On one occasion, McCarthy asked Sen. Harry E. Costello, President Truman's military aide, whether Vaughan got any campaign funds from Costello.

McCarthy said that he had never heard of Costello. He said that he had never heard of Costello.

Wall-Eyed Pike? Look! One Drunk Fish In A Itty Bitty Brook

ASHEBORO (AP)—Officers told today how they grappled a liquor-drunk pike in a brook, attempting a complete outfit, large quantity of liquor and a small quantity of fish.

The officers swore it was a drunk fish. If they ever saw one like it, they would take it to the moon.
