Once Over Lightly

By WALTER SHOOTER... An Admirably spokesman said the salary might take a few months to depend on whether the bulk of the money is to be paid in lump sum or whether it will be paid in installments.

When a fellow says he's behind you, watch him 'cause it's mighty easy to lead him. The man with the 'ay' ain't generally here to say so.

He said he had a new, 350 electric stove. "Put it down for \$15!" he said. "That's your brother's name." A peculiarity of the listing staff remark on is the hesitancy...

Some people don't own any clothes except those they have on, some say they live in both city and county, all furnished and furnished. The really smart ones leave their rings and fur coats at home, however.
