## PIEDMONT GIVEN THE EDGE

## A SET OF PRINCIPLES

recommendation of a Federal Fower

sministea. Chai. Piedmont. Natural cap.

to the Transcontinental Fips Line, Piedmont of the Standard of the

pipe line could be made to pay.

In any event, there is a certain justice in
the Marsh recommendation. Piedmont
first promoted the idea or natural gas in
this area when it sought approval for its
own pipe line. The FPC rejected that application. Now, unless the examiner's report
is overturned, Piedmont will at least get to
handle natural gas from the pipe line to
the consumer in the area it pioneered.

dom of opinion. Information, national or international, should d, transmitted and diffused with-striction. Printed matter should within a country or between with the same freedom. Any altwe measures that under any estrain such freedom are anti-

cal regimes that do not respect or be respected fully freedom of the

## WE LOVE A PARADE

SEPITE the light rain Thursday after-noon, we're convinced that the cit-try got a hig hunk of pleasure from Carolina Carrousel parade. nough tradition has the real enjoy-t of a parade limited to children there plenty of evidence Thursday that the colors are idelified to the hands.

Gray and the liberal collection of Liberty Belles.

In general, we feel, the Carrousel was as much a success as anyone could have whated for; its appnoors may rest assured that the calebration was improved over last years and probably will be even better in the years to dome. All in all, the marchine was the country of the cou

## IN DEFENSE OF LOSING ONE'S TEMPER

ENTS these days are usually blamed so many things it is refreshing they get a break. They have gotten m Dr. Gertrude Gross of the mental a clinic of the University of Mary-

Gross is following rather closely in otsteps of Bernard Shaw. For Shaw, of his early plays, made the point parent has the right to strike his when in anger; but only when in

go worked out themselves in a wholly writin manner.

all, what is continuous and uncontrol of temper? It comes excity close to being appeasement, And 
yor appeasement in dealing with 
a involves the same dangers as a 
policy in dealing with a nation. 
site whose parents never loss their 
what has nothing to fear from acting 
the child is the aggressive type—and 
of mild parents usually is—it will 
plot to play a game. The object of 
each will be to see whether the child, 
thing up and performing all sorts of 
disorderity and impudent actions, 
sake the parents lose their tempera.

Note that Dr. Gross emphasizes that

force.

Dr. Gross also stipulates that the child should understand what has caused the loss of temper. Possibly so. But in most instances the child know all too well.

In Upper New England a stern warning goes forth against shooting the farmer by mistake for a dear picking apples from a ladder.—Memphis Commercial-Appeal.

It is our opinion that the word "house-wife" is all out of date. There are no such animals anymore. The word "house" should be separate from the word "wife", for the wife does not stay at the house any more. The word "ear-wife" would be more fitting for our day,—Medison (Ga.) Morpan County Neut.
