

Because Of Landslide Win, Ike Can Act Independently

By MARQUIS CHILDS

...probably take the time to
...enhower's biggest show
...bringing in new blood
...civilian employees, 9
...and cannot be fired
...the merit system, such
...y Commission and the
...fire them.
...er blood which can
...blood and energy
...only the 1 per cent.
...good men dedicated
...wer's problems.

to put the emphasis on the North. Now the emphasis is to be slowed up and used in the manner which South Korean officials have requested. The arms for Europe, while Van Fleet has been asked to speed up the arms for Korea, now the emphasis is to be toward Korea—for two reasons: Korea; 2. Ike got a bit of a kick out of it.

The Budget.—When Eisenhower was given the chance to summarize that was said in the budget, he said, "I don't know how to be known the terrific thing is that we have a budget."

Europe without actually changing defense. Arms to Europe must be Korea instead. This will be troops are to be equipped as head of NATO, wanted more Fleet and Ridgway wanted Eisenhower as commander-in-chief, and the decision was made: 1 his campaign pledged up with the French and Korea—inside fact is the same secret Korean intelligence on the President's desk every difficulties of bringing about

to put the emphasis on the North. Now the emphasis is to be slowed up and used in the manner which South Korean officials have requested. The arms for Europe, while Van Fleet was in Korea, were to be toward Korea—for two to three Korea; 2. like got a bit more; 3. like got a bit more; 4. like got a bit more. The Budget—With the committee to both strong defense and pruning the budget, his cuts will have to come from the defense side. The great preponderance of the service comes the great preponderance of the national defense. The Budget—With the committee to both strong defense and pruning the budget, his cuts will have to come from the defense side. The great preponderance of the service comes the great preponderance of the national defense. The Budget—With the committee to both strong defense and pruning the budget, his cuts will have to come from the defense side. The great preponderance of the service comes the great preponderance of the national defense.

Cleaning Out Washington—Eisenhower's in-the-arm to government can be in bring it to the top. Actually, of the 257,200 men in the service, 100,000 are in the service, while another 8 per cent are under the name as scientists on the Atomic Energy Commission.

This leaves approximately 1 per cent changed. However, if enough new blood injected at the top, even though only a small percentage of the service, the government will be one of Eisenhower's.
