

THE BURDEN IS ON THE GOP

THE delicate game of politics and government... The Republican charge served to arouse from the President a statement in this vein. But we, along with President Truman, would like to know just what the Republicans have in mind...

It is proposed then, to parachute resistance supplies, forbidden border skirmishes or what? The burden of proof is upon the Republicans. Democrats and Republicans alike would like to disturb Communists, and if the GOP has some specific proposals we should hear about them well before election time.

KEEP OUR CHINS DOWN

SOME 80 U. S. men-of-war are steaming eastward from our Atlantic ports to Scandinavia where they will join with Allies... On Russia's opposite, Siberian border, Red guards Monday watched 164 U. S. Navy planes blow up an oil refinery and iron works...

A CHILDISH DISPLAY

MUSIC is a fine thing, but at 1:30 A. M. even gospel songs are difficult to appreciate. When amplified and accompanied by applause and horn-blowing at such an hour the greatest refrain becomes an unwarranted intrusion upon the rights of sleepers...

GIVE DADDY A BREAK

ANNOUNCEMENT yesterday of the biggest Mecklenburg County draft quota of 16 months brings to mind a detail which the local draft board can't do anything about. But the President can, and we hope he does...

THOSE FLYING SAUCERS

—Hamlet, Act III William Shakespeare. We cite the bard merely to show that the amazing ability of people to see spacehips and saucers, flying in formation, in every story book of light or misplaced mirage is a fact of imagination neither new nor uniquely American.

'Now Do You Want To Try For 25?'

Air Defense Continues Poor As Our Striking Power Wanes

By STEWART ALSOP. PLANS for two huge emergency projects, comparable to the Army such rates as these, being carefully reviewed on high government levels. The Manhattan District, as the world remembers, gave this country the first country the first country the first country the first country...

People's Platform

Letters should be brief. The writer's name and address must be given, but may be withheld from publication in the discretion of the Editors. The News reserves the right to condense. How To Raise Cantaloupes. MT. PLEASANT. Editors, THE NEWS: I AM getting tired of this argument about when...

Factions And Mecklenburg's GOP

CHARLOTTE. WHEN the Democratic Party gravitated into groups such as FEPC, labor organizations, and the bureaucratic horde, it was inevitable that the most discriminating element in it should be the Republican Party...

Bills By Committee Chairmen Most Likely To Become Laws

By CONGRESSIONAL QUARTERLY WASHINGTON. If you want to be a "lawmaker" you have to do more than get elected to Congress. Out of the 12,730 bills introduced in the House and Senate this year and last, only 304 became public laws...

Who Gets Milk Price Increase?

CHARLOTTE. THIS letter is largely addressed to the parents and guardians of our anemic and pallid-looking children of Charlotte, who are dead in need of sunshine and, whole milk.

Plenty Of Dignified Issues

NORWOOD. Editors, THE NEWS: I think it is very unfair to attack Governor I. Stevenson on the grounds of his testimony in the Alger Hiss case. It is equally unfair to drag his marital status into the campaign and try to use it as a weapon to discredit him with the voters.

Drew Pearson's Merry-Go-Round

While Drew Pearson is on a brief vacation, the Washington Merry-Go-Round is being written by several distinguished guest-columnists, including Stanley Drew, Technical Co-operation Administrator in the Department of State.

Point 4 — Diplomacy of the Future

Point 4 is a people-to-people program. Our U. S. technicians working with technicians of other countries are not only helping to solve the world's political problems, but they are also helping to solve the world's economic problems. Point 4 is a people-to-people program. Our U. S. technicians working with technicians of other countries are not only helping to solve the world's political problems, but they are also helping to solve the world's economic problems.

FROM THE BIRMINGHAM POST-HERALD

HAMLET. Do you see that cloud that's almost in the shape of a can? Polonius: By the mass, and it's like a camel, indeed. Hamlet: Methinks it is like a weasel. Polonius: It is backed like a weasel. Hamlet: Or like a whale? Polonius: Very like a whale.
