SENATOR HOY OVERSPOKE HIMSELF

SEN. CLYDE HOY's observations on the U. N. in connection with Gov. James Byrne's appointment...

But Mr. Hoy goes on to say that he's "fed up" with the "type people" who have been up there...

By inference Senator Hoy thus casts aspersions on many able Americans who have served with distinction on U. N. delegations...

NO POINT IN AGITATING PAY ISSUE

LET US HOPE that the Council minority that has repeatedly sought to ram through blanket pay increases...

Repeatedly the Messrs. Boyd and Baxter have tried, by one stratagem or another, to convert the job classification plan...

A four-man majority composed of Councilmen Smith, Brown, Allen and Wilkerson has shown a firm, however, in support of a sound principle...

STORAGE SHORTAGE ISN'T BENSON'S FAULT

THE government's grain storage program has come in for a good deal of criticism from farm Congressmen and the National Farmers Union...

In the first place, while Mr. Benson may be accused of procrastination in policy matters, the shortage of storage facilities...

DOWN WITH DIOR—HOLD THAT HEMLINE

IT HAS COME to a point where the men of America have got to do something about that Frenchman, Christian Dior...

These fashion designers aren't so eager to show men finance new wardrobes for their wives, Balmain, Balenciaga...

GOV. KERR SCOTT'S regime has been over more than six months, and since that time Scott men have been packing their bags...

YOUR editorial in today's News—"U.M.T.—The Long Range Answer"—provides for me to make this comment...

Incidentally, I enjoy reading your newspaper. BEN M. BETTS, JR. PITTSBORO

Crane's Sex Views Scored

I hang my head in shame for the male species of the human race... if the column of George W. Crane speaks the truth...

Perhaps our youngsters are placing too much emphasis on the sex angle... The News of August 5 carries his indecent and spurious column on sex and says it applies as well to human beings...

MERCER J. BLANKENSHIP AT SEA Editors: The News: We are two sailors serving aboard the USS Bremerton, now serving in Korean waters...

Drew Pearson's Merry-Go-Round

WASHINGTON SENATOR BYRD OF VIRGINIA, supporter of General Eisenhower for election but a vigorous opponent of President Eisenhower regarding debt increase, sat up earlier in White House one day last week twiddling his fingers...

Europe Cluttered Up With Various & Sundry Americans

PARIS — I SUPPOSE there must be one or two Americans left in America...

You cannot walk the streets of Paris, or go into a shop in Paris, or stroll through a hotel in Paris without running into old Joe...

There is more Texas-talk in Europe than there is in Texas... bumper joints have sprouted in most major travel cities...

Under The Dome

THE Kleig kligh which hung over the U. S. House of Representatives during the closing days of a session in the Capitol...
