Bidault Seeks To Save Talks On Indochina

Geneva Conference Close To Collapse
By EDDY GILMORE
GENEVA (AP)—French Foreign Minister Georges Bidault plunged into a series of high-level diplomatic talks today in an effort to save Indochina peace talks from collapse.
Acting on behalf of Joseph Laniel's caretaker government, Bidault saw the top delegates of both Western and Communist countries. He planned to fly back to Paris for this afternoon's debate in the National Assembly, when Premier-designate Pierre Mendes-France outlines his policy.
Both British Foreign Secretary Anthony Eden and U. S. Undersecretary of State Walter Bedell Smith were reported considering leaving Geneva this weekend.
French sources said, however, they had agreed the Indochina talks should not be suspended or broken off completely.
The British and American leaders had dinner with Bidault last night and discussed this question at length. They met again today to try to firm up plans which would satisfy Bidault and permit the top diplomats to get away from Geneva.
Informed quarters said they probably would agree on some sort of standby group to remain here indefinitely while talks continued between military representatives of the high commands of the rival forces.
Bidault met this morning with representatives of the three associate states of Indochina—Vietnam, Laos and Cambodia—and with Soviet Foreign Minister Vyacheslav M. Molotov and Red China's Chou En-Lai.
Bidault's talk with Chou was regarded with unusual interest since it was the first publicly announced meeting between the two.
France, like the United States, has not recognized the Peiping regime. Usually reliable sources reported several weeks ago, however, that Chou called on Bidault secretly one night for a long talk.
The French diplomat's meeting with the Communist leaders this morning was understood to be for the purpose of determining whether their latest concessions indicated any real readiness for a settlement.
French and British sources said yesterday they believed Chou's new proposals for a cease-fire in Laos and Cambodia were a step forward, but indicated clarification was needed.

Party Is Blamed For Long Dispute

WASHINGTON (AP)—Sen. McCarthy asserted today the lengthy hearings on the Army-McCarthy row were promoted by the Democrats and that the Democrats "will suffer and bleed because of it."
It was one of numerous thrusts with a political tinge which came into the 36th, and possibly final day, of the McCarthy - Army hearings.
Sen. Symington (D-Mo.) accused Sen. Mundt (R-S.D.), presiding at the hearings, of "unjust" and partisan remarks that would end the explosive inquiry on a "sad" note.
Symington flung his accusation after Mundt with caustic humor had raised the question of what role Clark M. Clifford, once legal advisor to former President Truman, may have played at Symington's suggestion in setting off the Army charges against the McCarthy camp.
Mundt said it should be recalled that Clifford and Symington "are Republicans" and that Symington's advice to Clifford gave advice to Republican Secretary of the Army, Stevens that might normally be expected to be "in a different vein" than a Republican lawyer might have given.
CONCEDES RIGHT
In reply to Symington, Mundt said he was contributing to the propriety to Stevens' conferring with Clifford. Stevens had a perfect right to do this, Mundt said.
"I have no quarrel with the intriguing way in which politics is played," he said.
Joseph N. Welch, the Army's special counsel, said that in fairness Stevens should be permitted to submit a statement on this point, if he so desired.
Mundt said he would be very glad to let him do so. When Symington suggested a motion to that effect, Mundt said it was unnecessary, that "we can do that on general consent."
McCarthy was in the witness chair and, from time to time, got questions bearing on the main issue of the hearings: The truth or falsity of the charges.

End To Anti-Red Action Requested

TEGUCIGALPA, Honduras (AP)—The Arbenz regime, Rutledge said 100,000 tons were expected to stop Guatemala City's narrow streets.
The Guatemalan general staff and the presidential officer earlier yesterday denied a report that the army had given Arbenz 24 hours to resign. A joint statement said the army "is giving all its support to Citizen President Arbenz."
El Salvador's embassy in Guatemala City was reported buying with 24 refugees who sought asylum there from the government roundup. Exile sources say 800 or more opponents of Arbenz and the Communists already are under arrest.
The government reportedly has granted safe conduct for 18 of those in the Salvadoran Embassy to leave the country. Several other oppositionists already have made their escape via this route.
Guatemalan exiles in Tegucigalpa made no secret of their military preparations. Men dressed in khaki but wearing no insignia walked the streets and gathered at the city airport. There were no boarding planes without any apparent effort to hide their movements.
Early Peace Premier's Goal
PARIS (AP)—Pierre Mendes-France told the French National Assembly today that if he is voted in as France's new premier, he will offer his resignation if he has not achieved peace in Indochina before July 20.
In pleading for support from the deputies, Mendes-France offered a three-point program for orienting France along a new national policy. He said his objectives would be:
1. Before July 20, to try with all the means at his disposal to bring about a settlement of the conflict in Indochina.
2. By this time to submit a "detailed and detailed program for economic recovery." He said he would ask special powers to make it possible to put the program into effect.
3. Before the parliamentary vacation, to submit propositions which will give the Assembly a chance to take a decision, without further delay, on France's policy concerning the European army.
Mendes-France spoke before a packed chamber. He was turned down by 13 votes in a similar bid a year ago but he said he believed many who had voted against him then or abstained might support him now because of "coming to gether of views."
After Mendes-France finished his speech, a number of deputies were expected to pose questions on his proposed policies. This may take until late tonight.
If confirmed, he would become France's 14th premier in the 10 years since liberation, head of the nation's 20th Cabinet.

Congressional Shooting

Jury Ponders Woman's Case

WASHINGTON (AP)—Mrs. Lolita Lebron waited alone as the sole subject of jury deliberations today on the fanatical shooting in the House of Representatives March 1.
A federal jury of seven men and five women, behind closed doors for 9½ hours, emerged late last night with verdicts of guilty on all 10 counts of assault lodged against her three male associates: Raul and Rafael Mirando, 25, and Andres Figueroa Cordero, 29, and Irving Flores Rodriguez, 28.
The 34-year-old Mrs. Lebron, already convicted along with the three men on five counts of assault with a dangerous weapon, whispered when she heard the verdict.
"I don't see why they don't convict me too."
With five charges of assault with intent to kill still outstanding, she told them to return today to pass final judgment.
Mrs. Lebron's fellow Puerto Rican gave no show of emotion upon hearing the verdict, which carries a maximum penalty of 7½ years in prison. But soon afterwards Cordero and Flores, although not smiling, joined briefly in the conversation.
All four admit to opening up with wild pistol fire from the S. House gallery. Five congressmen were wounded. But the Puerto Rican Nationalists say they meant to kill or harm no one, their only aim being to dramatize their demand for Puerto Rican independence.
Under the law, each defendant could possibly receive a sentence of up to 10 years apiece on each of the weapons counts and 15 years apiece on each of the intent-to-kill counts, or a maximum of 125 years. The judge has discretion as to whether the sentences should run concurrently, however, and Judge Holtzoff has announced he will not impose a total of more than the 7½ years allowable under the intent-to-kill finding.

STANDBY GROUP

Informed quarters said they probably would agree on some sort of standby group to remain here indefinitely while talks continued between military representatives of the high commands of the rival forces.
Bidault met this morning with representatives of the three associate states of Indochina—Vietnam, Laos and Cambodia—and with Soviet Foreign Minister Vyacheslav M. Molotov and Red China's Chou En-Lai.

In a report filed by Secretary of State Thad Eure, Sedberry said he received contributions totaling \$625 to help finance the campaign in which he defeated Marvin Ritch of Charlotte.
Tomorrow is the deadline for candidates to file final reports of contributions they received and expenditures they made in the May 29 primary campaign. Reports of senatorial candidates Kerr Scott, the winner, and Alton A. Lennon, a loser, are expected then.

QUAKE RECORDED

WESTON, Mass. (AP)—The Boston College seismograph station reported today it recorded a "strong" earthquake last night at 9:51:38 (EDT). The Rev. Francis Donahue, S. J., said the disturbance took place about 3,900 miles northwest of Boston, probably in the Aleutian Islands.

Lung Cancer Suit Dropped

ST. LOUIS (AP)—Ira C. Lowe of Festus, Mo., who blamed his lung cancer on heavy cigarette smoking, has withdrawn his \$250,000 lawsuit against the R. J. Reynolds Tobacco Co. and a food store chain.
Lowe filed his suit in federal court last March. The withdrawal was without prejudice, and Lowe's attorney, Donald Siegel, said he couldn't discuss it. The case in their opinion the best medical evidence indicates that cigarette smoking does not cause lung cancer.
Others named in the suit were American Tobacco Co., P. Lorillard Co., Brown and Williamson Tobacco Corp., and the Great Atlantic and Pacific Tea Co., operator of the store where Lowe said he bought the cigarettes.

More than 1,000 spectators jammed into the ballroom of the Hotel Roosevelt in New York last night to see the U. S.-Soviet international chess match. Among them was elder statesman Baruch. He made a brief speech of welcome, shook hands with the captain of the Russian team. The Russians took a 1½ lead last night. Story on page 6-A. (AP Wirephoto).

TRUE LOVE IS STYMIED BY THE RULES

ROME (AP)—Newlyweds Teresa and Francesco Atzeni are looking for a new home. They can't live in their former lodging, where they were wed yesterday, because there's a rule against couples sharing a room.
Teresa and Francesco, both 30, were married in an old folks home, where they met 1½ years ago.
Friends offered the bride and bridegroom lodgings for 2,000 lire (\$320) a month. The bridegroom said they could afford to pay only 1,000 lire, and turned the offer down.
Meantime they're continuing to live at the old folks home—in separate rooms.

Churchill May Make Appeal

WASHINGTON (AP)—British Prime Minister Churchill may appeal to the American public for closer U. S.-British teamwork, possibly in an address before Congress during his visit in Washington for talks with President Eisenhower.
U. S. officials raised the possibility of a congressional address to Churchill, and also the alternative that Churchill might choose to make a major speech before an unofficial body such as a press group.
Diplomatic sources noted Churchill has spoken before Congress several times in the past in the course of eight visits to the United States since the beginning of World War II. However, they said no invitation for a congressional appearance has yet been issued for the visit, which begins a week from tomorrow.
The other possibility was suggested by Eisenhower himself at his news conference yesterday. He said a British friend had reminded him that on visits to Washington Churchill was always a honored guest at the National Press Club, distinguished visitors often speak there.
Plans for the visit, announced Tuesday, are still in process of development. Churchill, British Foreign Secretary Eden and staff aides are due to fly from London next Thursday afternoon and arrive in Washington sometime Friday.
The talks between the chiefs of state will begin Friday afternoon or at latest Friday evening, informants said, and will go on at least through June 26 and 27. Churchill and Eden are expected to remain as White House guests through Sunday.
