DEADLINE

Mendes-France Given
'Chance' To Achieve
Peace By Tuesday

By EDDY GILMORE

GENEVA (AP)—Premier Pierre Mendes-France went today into the final 36 hours of his diplomatic duel with the Communists for peace in Indochina with what a British spokesman described as "a chance, that's all."

Another Western official said he wouldn't even bet on the proposition. The top Communist delegates were kept to themselves.

One high conference source said Mendes-France had pushed away one obstacle to peace in a tentative fashion—the long debated question of the International Commission to police the armistice. This source said the French and the Communists seem to have settled the composition of the commission with Canada, India, and Poland as the members. There would be last minute changes, it was emphasized.

BACKED BY BRITISH

The British, it was reported, will support Mendes-France on this composition. The position of the United States has not been made known in the past. The United States has opposed the inclusion of any Communist states on the commission because of the unhappy results in Korea, where Czechoslovakia and Poland hampered operations of the Neutral Nations Supervisory Commission with their veto power.

Under the tentative agreement reached by Mendes-France and the Communists, decisions would have to be taken by unanimous vote on any issues which might lead to the resumption of hostilities. Otherwise a simple majority would decide. The conference source emphasized that the agreement was in its final form.

Progress also was reported unofficially on the question of elections in Viet Nam after the armistice. There were reports the Communists were ready to accept a delay of 18 months. Earlier they had asked for a vote on a new government within six months. The French originally asked for two years delay.

There was little doubt that Viet Nam would be to partition somewhere between the 14th and 18th parallels.

EXPERTS PARTITION

A Viet Nam spokesman said today "there will be a partition and we realize we cannot avoid it."

He said his government, still clinging to its demand for U. N. supervision of the armistice, but that the issue would be decided "over our heads." He continued that the Vietnamese "are kept in ignorance of whatever happens."

A high American source said it will be very difficult for the Communists to turn down the offer made by Mendes-France and "still make it appear they want peace."

This source said that if the Communists block Mendes-France's bid they will lose tremendous ground in their effort to win Asia for the Chinese, particularly in India and Burma.

It was reported U. S. Undersecretary of State Walter Bedell Smith's statement of the U. S. position at yesterday's session of the conference had aroused no objections from the Communist side. Smith stated the United States was prepared to help in arriving at a just and honorable peace and that it would honor its obligations under the U. N. charter in the event of an agreement.

Mendes-France said Vietnamese Foreign Minister Tran Van Do early today and then went to see British Foreign Secretary Anthony Eden. He conferred with Smith later and planned to dine with Eden tonight. The lease on Mendes-France's villa expires Wednesday and there was every indication he was prepared to move out, in or out of office.

EVENING PRAYER

Lord of the loving heart, gentle hands, and willing feet, grant that we may grow daily more like Thee. Teach us Thy love and kindness that we may graciously love and serve others. For Thy name's sake. Amen.

OUR WEATHER

Partly cloudy today, tonight and tomorrow. Widely scattered showers and thunderstorms. High temperature yesterday—91 degrees. High temperature expected today—92 degrees. High temperature expected tomorrow—95 degrees. Low temperature this morning—71 degrees. Low temperature expected tonight—74 degrees. Sunrise—5:32 a.m.; sunset—7:38 p.m.

MISS NORTH CAROLINA
A Victory Smile. (Photo by Bill Sumner)

Miss North Carolina
Plans For Big Trip

BURLINGTON, N.C. (AP)—A pretty blue-eyed brunette school teacher from Lexington, made plans today for a trip to Atlantic City, N.J., and the Miss America contest in September.

She will represent the state in the national beauty contest against contestants from 33 of the 48 states.

The three-day contest saw girls appear in bathing suits, evening gown and talent divisions. Miss Ring's reading from "Macbeth" won for her the talent division and her 34-38 measurements won her the evening gown division.

The five finalists in their order of finish were Miss Ring; Rebecca Ann Lee as Miss Dunn; Barbara Ann Stone as Miss Chapel Hill; Patricia Shepard as Miss Kingston; and Sandra Lee Bowman as Miss Raleigh.

After all the voting by the judges, the queens decided to cast some ballots and named Miss Helen Howell of Mount Airy as Miss Congeniality.

Blood Brigade Saves
Life Of Ohio Youth

MIDDLETOWN, Ohio (AP)—Townsfolk formed a blood brigade today to save the life of 6-year-old Eddie Phillips, who has been bleeding steadily since his tonsils were removed 13 days ago.

His unnamed doctor, a certain deficiency in the blood, prevents the blood from clotting. He needs fresh blood and direct transfusions. His blood will not clot.

This stored city of 34,000 in southwest Ohio has responded with hundreds of offers of transfusions. More than 40 pints of blood have been pumped into the youngster already.

Eddie's physician said the boy was in critical condition but his spirits were good.

The bleeding is centered in the throat and a tube has been inserted below it to allow him to take in food. This prevents Eddie from talking, but he cheerfully shakes his head yes or no when questions are put to him.

The doctor said the youngster was not suffering from hemophilia, a similar disease which makes people bleed when slightly wounded. The doctor said it was a strange, unnamed malady. The blood is deficient in one element one day and another element the next day.

Before Eddie underwent the transfusion, his blood was tested.

MISS MURPHY
PAYING FOR
JOKER'S JOKE

NORRISTOWN, Pa. (AP)—Some practical joker is having a field day with Miss Margaret A. Murphy.

In the past few days someone has had sent to her home: Three taxicabs, a cleaner, a storm-sash installer, a load of lumber, a plumber, a paperhanger, a painter, another cleaner, an exterminator, a television serviceman, a load of coal, an interior decorator, a telephone repairman and a bus driver—complete with bus—only to find he had been sent to "pick up 32 passengers for a church outing."

Attack Of Homesickness

Marie Dionne Leaves Convent

Waterloo, Que. (AP)—Convent Marie Dionne, who entered a convent as a novice two months ago, has left the cloister for home.

A church official said she had departed temporarily for reasons of health. Her family diagnosed the ailment as homesickness.

The priest of the Roman Catholic archdiocese in Quebec issued this comment: "It is not known at this time if she will return."

The mother superior at the Quebec convent of the Servants of the Blessed Sacrament, which Marie entered as a postulant last November, said the 29-year-old girl left this Wednesday.

Grouard said Marie—smallest of the nuns at birth—seemed contented and homesick. He added he did not know whether she planned to go back to the cloister, which she arrived at as a novice May 24 in Grouard, Ont., early yesterday, accompanied by three brothers and her quinquennial sister, Emilie. The latter hit the headlines herself when she became lost in

McCarthy Postpones
Anti-McCarthy Bid

Censure Vote
Is Put Off
Until July 30

Vermont Senator
Explains Action

WASHINGTON (AP)—Sen. Flanders (R-Vt.) announced today he will defer until July 30 the motion he had planned for tomorrow asking the Senate to censure Sen. McCarthy (R-Wis.).

Flanders said he is holding up actual introduction of his resolution of censure at the request of Sen. McClellan (D-Ark.), senior Democratic member of McCarthy's Senate investigations subcommittee, and because he wants the vote on it to be "as massive and bipartisan as possible."

Another reason, the Vermont senator said in a statement, is concern expressed by "the Republican leadership" lest his resolution stir up a fight which might hurt action on the President's legislative program in these probably closing weeks of the Congress session.

Flanders said he will proceed, however, to deliver in the Senate tomorrow a speech about his resolution. He had made public the text of the speech over the week-end.

McCarthy Has
Man Evicted
In New Probe

By JAMES BACON
LONG BEACH, Calif. (AP)—The Miss Universe dolls take their first trip to Hollywood today and find some it may not be their last.

In the past, the Miss Universe winners have not exactly set the film capital afire. From the original 1952 pageant, only Ruth Hampton (Miss New Jersey) is now under contract to a studio. And the 1953 crop Myra Hansen (Miss U.S.A.) is the only one working regularly at Universal-International.

The studio had signed six or more after each annual contest. But this year's crop is much better.

If I were a movie producer I would screen-test Miss Brazil. This main beauty seems to carry the most sex appeal—and next to cowboys and Indians that is the movies' most valuable commodity.

Also on the unshaven list is Montana, who walks, talks and looks like Marilyn Monroe. And there is always room for another Monroe in Hollywood.

Miss Italy has a beautiful classic face, a figure to match and wears clothes like a Dior model. On the cute side is Miss Reynolds, a Teutonic Debbie Reynolds.

Miss Sweden is a Nordic redhead. Movie fans always have liked Swedes such as Bergman and Garbo. At the moment Hollywood is ripe for a good-looking Swede.

For a well-tanned society girl type like Grace Kelly there is Miss Maryland.

There is also a good comedienne, Miss Uruguay, an attractive Latin, is even livelier than the late Lupe Velez.

The girls will tour Universal-International, one of the sponsors of the contest. There they will meet movie stars and have dinner.

Today is the last day for the contestants. Preliminaries in the Miss U.S.A. contest get under way tomorrow, with finals Wednesday night. Then Miss U.S.A. joins the beauties of the 37 other nations for the Miss Universal finals Friday night.

World Beauties
Visit Hollywood

WASHINGTON (AP)—Sen. McCarthy (R-Wis.) began public hearings today on his repeated charges of 130-odd subversives in defense plants and ran into a stormy clash with a man named as one of them.

It wound up with McCarthy's having the man removed from the hearings room.

Yelling about informers and stool pigeons, Charles Wochowski was hauled out by a Capitol policeman acting on McCarthy's orders.

Wochowski had been identified as a Red by James W. Glavin of Boston, who testified he himself had joined the Communist party as an FBI undercover man.

McCarthy interrupted Glavin's testimony to inquire if Wochowski were in the room. A short, stocky man in grey slacks and dark grey jacket came forward. The senator asked if he would like to be sworn in as a witness so he could affirm or deny whether he was a Red.

Wochowski shouted: "I'd like to know what the charges are, who the accusers are, I'd like to have time to prepare."

He said a telegram practically convicting him had been sent to his employer and had just about cost him his job.

"I don't know who the stool pigeons and informers are," Wochowski said.

McCarthy said: "You are not going to come here and call an FBI agent a stool pigeon."

"Officer," the senator said, "rejoice, this man is a Red."

He said Wochowski would have a chance to come back later and testify.

Today's hearing was the first directed at what McCarthy said are 130-odd individuals who are alleged to be members of the Communist party and work in defense plants. He said he used the word "apparently" because "some may be FBI agents."

McCarthy launched the hearings despite:

1. Opposition from a majority of his seven-member subcommittee on grounds there should be a staff investigation before any new official activity.

2. A pending move by Sen. Flanders (R-Vt.) to censure him for the way he has conducted hearings in the past. This was due to come up on the Senate floor today.

Today's hearing was in the caucus room in the Senate Office Building—the same big room in which the hearings were held on McCarthy's row with Army officials.

But there was none of the fanfare and glitter that marked that inquiry. Nine spectators were in the red-carpeted room as the hearing got under way. Television newsreel cameras recorded part of the proceedings.

In opening the hearings, McCarthy said some of his staff members are trying to resign, against his wishes.

He did not name them, but said they are persons who have done

Midwest Hot
Again After
Brief Respite

By The Associated Press
The weather continued at full boil in the nation's middle section today after a brief period of summer lull last week. There was little relief in sight.

The toll of the extended heat wave, which had only a brief respite, had reached 237 lives yesterday when temperatures from central Texas and northern Louisiana to southwestern North Dakota climbed generally into 100-plus figures.

Scattered thunderstorms tempered the heat in the Ohio Valley and near the Canadian border, but west and south of those sections temperatures matched or exceeded the normal summer extremes of the adjoining desert Southwest.

Sunday deaths attributable to the heat included 3 at Fort Smith, Ark., where the mercury mounted to 108; 3 in southern California, where readings ranged up to more than 100 in the San Joaquin Valley; and 5 in Oklahoma, which had such steaming weather as Oklahoma City's 105 and Tulsa's 110.

The day's peak was 116 at Fort Scott, Kan. Chanute in the same state had 113, and in adjoining Missouri it was 111 at Kansas City, Mo., and St. Louis.

Other samplings in the heat belt included 106 at Quincy, Ill., and 104 at Dallas, Texas; 104 at Memphis, Tenn.; 101 at Indianapolis; 100 at Oklahoma City, S. D., and Dickinson, N. D.

Showers and thunderstorms were confined mostly to the Rocky Mountain region, western Kansas and Nebraska, the northern Great Lakes area and New England.

I Dead, Million Damage
In W. Va. Flash Flood

RICHMOND, W.Va. (AP)—A flash flood inundated down the Red Cross National Guard and Air National Guard for emergency relief.

A state police radio message was overheard in Charleston today as a state police officer called 8 a.m. telling of the recovery of one body and adding others might be dead.

James E. Reed of the National Guard at Richmond said the storm broke about midnight with torrents of rain gushing from thunderous, lightning-crashed skies.

Reed said caskets could be seen in the streets.

Neighbors who heard his cries for help early yesterday, found him lying in the kitchen of his four-room house at Bishop Head, 30 miles south of here. He had been savagely beaten.

Sheriff Walter H. Robinson, who questioned Jones at the hospital during one of his rare periods of consciousness, said he told him he had been carrying between \$5,000 and \$6,000.

Man Beaten,
Robbed Of Cash

CAMBRIDGE, Md. (AP)—Winnie M. Jones, 37, a frail bachelor who made thousands of dollars crabs and oyster tonging but didn't trust banks to keep it for him, was near death and penniless today.

Neighbors who heard his cries for help early yesterday, found him lying in the kitchen of his four-room house at Bishop Head, 30 miles south of here. He had been savagely beaten.

Sheriff Walter H. Robinson, who questioned Jones at the hospital during one of his rare periods of consciousness, said he told him he had been carrying between \$5,000 and \$6,000.

Liniment Fatal
To Life Termer

RALEIGH (AP)—A life termier died after drinking some muscle liniment. The man, who had been in the state prison for years, was found dead in his cell.

Prisons Director William F. Bailey said that Jack Paden, a Negro, drank the liniment which had been issued to his cellmate who was sore from playing baseball. Death was attributed to heart ailment.

Paden, who has ordered further investigation, said that Paden died several hours after his stomach was pumped out by the prison doctor. The doctor had been called for by Willard Bower, Paden's cellmate.
