Ozzie and Harriet want it, that's the way it will be.

EVERY DOG HAS HIS DAY, BUT

shoot the TV show.

"Then on Stunday we had to record the radio show before an aulience. Even though there was not
nuch work involved, it still repseents a strain on any performer.

"Now David is entering USC as
freshman. We want him to decote plenty of time to his studies
and whatever student activities he
vants to participate m. Ricky will
be a septomore at Hollywood High
cam. Between this and their weekget between this and their weekyet television chores. I think it is
ust about all any kid can handle.

"We hat to give ur radio after
