## New Honor As Yale Looms AP Cage Poll

**Duke Has** 

Jet Jobs

In Garden

WHEN playing Duke's baseball team this spring, either drill those grounders through the infield or slam the ball over the fence. Anything to the outfield is a sure fatality.

sure fatality
Bunny Blaney. Bill Domhoff and Dave Sime will
patrol the garden for the Blue Devils, easily the fastest
trio in college baseball and perhaps on a par with any
in the history of the game.

Blaney and Domhoff are former track competitors,
each capable of running the 100 yard dash within the 10second limit. Sime, the Atlantic Coast Conference's top
athlete, is a world record holder in several events, can
sprint the century in 9.3.
Said one wag: "Place Blaney and Domhoff on the
right and left field foul lines and let Sime get everything in between. Nobody will rate a base hit if the
ball is in the air."

SENTENCE SUMMARY: The North Carolina Tar is are the most politely cocky team in recollection.

PLAYOFF PHILOSOPHY: Lloyd Ailsby, the Johnstown Jets hockey coach, calls the goalle the most important man in any post-season series.

The post of the post in the post in the coach of the best offense and the league. With Isan Wainston in good shape. Philadelphia could be the team most likely in good shape. Philadelphia could be the team most likely to take the playoffs.

The chariotte is all right with Binkley, too, and it can put the pressure on anybody. But a goalie with a but stick and are right and the pressure on anybody. But a goalie with a but stick and series. The Clippers aren't a shooin by any means."

-West Virginia Won't Show Here Next Year

A TEER two meetings at the Collisions here. Furman has decided to book West Virginia as a home basketball game and play at Greenville's Textlle Hall.

The Mountaineers lose some of their appeal with the graduation of lot Rod Hundley, but West Virginia is expecting a better team than ever next season and the local date would have been a bright one for area fans. However, Lyles Alley, the Furman coach and athletic director, rates his Chances are Furman will appear here against North Carolina next season, however.

FACTS ABOUT PRESSURE: Says South Carolina's Grady Wallace: "I don't care what anyone says, you can't help but worry a little bit about being the nation's leading scorer. It wouldn't be normal if you didn't think about it. It took some of the fun out of playing."

the Iun out of playing."

FUTURE OF THE DEACS: Bones McKinney was asked ut Wake Forest's prospect—now that Jackie Murdock, Jim Ley, Jack Williams and Ernie Wiggins have departed.
"I'm afraid it will be a little rough at the beginning of season," said he. "There are possibilities of coming along t—with some of the box, like Joe Ladd, producing now t more responsibility is on their shoulders. We have a task ore us, all right."

-Tatum Speaks Highly Of UNC Court Aces

FROM THE CROW'S NEST: After watching Duke we on the grid last Saturday, this reporter left with the clion of many others: that Haliback Wray Carlton could next All-American from the league. He's got a bit yrthing—and makes the oldtimers think back to
