LOCAL NOTES.

The political goose of Bob Paul to be pretty effectually cooked in

pais," will toot on Monday night

A large number of heavy freight teams were unloading at the various business houses yesterday.

Con. Cutter returned yesterday from Guaymas. He speaks well of the business prospects of that section.

Price Johnson, a sportive resident of the old preblo, is up on a pasear having some fan with the boys.

A. H. Emanuel, of the Watervale Water Company, has had some watering troughs but in at convenient places on the streets.

A. H. Emanuel, agent and superintenent of the Watervale Water Co, has removed his office to Fremont street, next control of the Watervale Water Co, has removed his office to Fremont street, next transfer of the water of the watervale Water Co, has removed his office to Fremont street, next truncal from a trip east. They had a pleasant time, and are gladly welcomed back by their many friends.

Under-Sheriff Woods left for the country yesterday evening with a pocket fall of summonses for grand and trial Jurors.

Arthur Long, a well-known mining the will be absent ascered days.

Arthur Long, a well-known mining to the street water water

teresting intide animal. Known as the mephitis Americana.

Frank Modanan's 'Old Sh'ipmates' company will play in Tombione next Thurelay, Friday and Saturday evenings and give a Saturday matthes for ladies and all the standard only two many and the standard only two particles as at first of consistent only two played a more successful engagement through the interior towns of California has often railes to the lot of any company.

Rev. J. P. McIntyre, the pioneer Methods preacher of Tom stone, leaves next week for Pailadelphis, where he will hereafter be assigned. He has been in Arizona nearly three years, during which time he has labored faithfully in the vine-yard of his Lord and Muster.

OBIGINAL Lawrenners.

time he has isbored faithfully in the vineyard of his Lord and Master.

Official Lawressness.

Entron E-7-raw: Has a police officer any right, without a warrant, to unlock the door of a man's house during his absence and ransack the premises? I am miner, at work on the day shift. My cabin is on Fifth street, and one day this week, while I was at work, Office-Lauses Coyle went to my place, reached through the test of the cook, and externed him which was led him why he took such an enwarranted him to be such that the country of the persecution which is been pracified against miners who are known to oppose Dave Neagle for sheriff? I think a policeman who takes advanting of his soffice to out-rage houset, hard-working citizen because they differ with him politically is not worthy to held the position, and guch conduct will certainly not beweff the man in whose interest the outrage ic committee the man in whose interest the outrage ic committee in Tomburse Charles 28.

COURT CULLINGS.

On the Calendar
The grand and trial jurces for the ensising term of court were drawn on Friday.
Court convenes Monday, November 13, Judge W. W. Hower presiding, and from the amount of business on the calendar it is probable the five weeks allotted to the requisit rerus will not suffect to finish up the business, in which sees an adjourned of the countries of th

NOTES ON PERIODICALS.

NOTES ON PERIODICALS.

"A Contemporary of Washington," in the California and Overlead for November, is a publication of the memories of Peter Adolph Gredjan. To his descendant on doubt their persual will afford pleasure, and possibly the continuation of the continuation of the persual properties. The continuation of the cont

he general moral seenes. Literature will ake color from its epoch, will bear the impress of its age. Books—excepting classical literature, which is of such per-fection of form as to attract universal ad-miration—reflect the period in which they were written, and by the rules of morality each age sets up, its literary productions are to be judged. What is obnoxious to one age or class is not necessarily so to another.

are to be judged. What is obnoxious to one ago or class is not necessfully so to another. So was a consistent of the continuation of "Tablow," by Kip, and a couple of abort stories; one by Mary Glassocek, "Miss: O'The Acores," by Mr. J. Jaques, an account of a visit to those islands, and "Sir". The Acores," by W. H. Jaques, an account of a visit to those islands, and "Sir Charles Gawan Duff," by John Manning being the biography of a distinguished trish journalist and agitator, are the relative possible of the control of the series of Gen. Evx., founder of the sect, and Glasson of the sect, and the final engingation to America.

A description is given of the voyage of

descriped thirty of the one hundred originally emberies.

There is also a fac simile of the deed
conveying New Castle to Pean, with an
account of the conveyance of the town by
the temperature of the conveyance of the town by
the temperature of the town as a
temperature of a popular novel, Loran Dome. I
though the temperature of the temperature
to the temperature of the temperature
that the temperature of the tem

find the continuation of William Black, "Shandon Bells," and the beginning of new novel by Containee Fennimore Wood son— For the Major." There are some short stories, on, "The Decdor's Home," on the World Home, "The Problem of Living in New York, by J. H. Brown, "Virginia in the Coloma Period," by Fless, "Across Lox's by Gills son, "Advance Sheke, "Across Lox's by Gills son, "Advance Sheke, "Across Lox's by Gills and several peens coupled the number and several peens coupled the number."

THE SONORA SITUATION.

the gunboat Mexico lies off in the bay in a breatening attitude. If Ortiz does not resign between now and the 15th of the coming month he still be outsetd, as Commanding General Carlo and a large force will arrive here on the regular San Francisco steamer, which touches at Mazatlan, where the above gained now is, but in the meantime it is more than probable that the state and federal troops will clash, as now they both patrol the street, and spon. The Angular was a superior of the street, and spon the warpath, and a fight is reported near The Angular was the state of the street, and spon in which the Indians were worsted. Up wards of 100 Yaquis and Mayos hongether the situation is very grave in this state, and loss of nearly fifty. Taken allougher the situation is very grave in this state, and where it may end it is hard to still. From the shape it has assumed it is more than probable the findians will get such a forthold that when the state and government of the state of the st

Guaymas, has issued a preclamation for 28,0000 for military expenses. Shortly ster, Gea. Beyes, in command of the fed-28,0000 for military in the control of the fed-indicating that the central government in Mexica had Instructed his to preserve the dignity of the federal government and to prevent oppression of the people through fraudulent loans, or taking of property without consent. He calls upon the peo-ple not to pay the contribution or give aid through tear of the state government. Reyes appers to have the people with him.

The Last Rail.

The Tucson Star has the following able article on the completion of the New Mexico, Arizona & Sonora Limited Rail

HORTON-MORGAN.

A Satisfactory Adjustment of the Difficulty—A Statement Covering Negotiations. e Star of the 24th publishes the fol-ng statement and correspondence:

22d instant, at Mr. Horton's request:

"Tucsox, October 22, 1882.—Mr. Benjami Morgan, Sir: The bearer of this Mr. Jossia Flourney, will communicate the state of the propose of arranging an interview between us at Lunc City, on the Sonor did of the line, at your earliest e arvenimer. Yours, etc., W. B. Horros. Upon presentation of this.—

sirous that details should be speedily ranged. Mr. Gates further stated that it delay was caused by Mr. Morgan's frien and requested that the matter be postpon until 7 o'clock Monday morning, when would receive a final answer. This morning I met Mr. Gates, who, instead of ranging for the interview at all, hands

ments concerning you are untrue you a perfect and complete vindication at Yours., etc., B. M.

Very respectfuly,

Justan Flourice
Tucson, A. T., Oct. 23, 1882.

FURTHER CORRESPONDENCE.
About 8 o'clock Monday night
tes notified Mr. Horton that he decommunicate with him or some on
behalf. Mr. Horton (in the absenFlourney), authorized Mr. Farle
