350 Stitches Taken To Patch Cut Teenagers  
Two Charlotte teenagers were slashed by a knife-wielding youth early Saturday morning outside Fireman's Hall while a rock and roll dance was in progress inside the building.  
One of the boys had 200 stitches taken in his head and the left side of his face. He had to stay in the hospital until Sunday.  
The other boy was cut on the arm between his shoulder and elbow. He had 150 stitches taken in his arm.

Police picked up three boys for questioning in connection with the gangland-style cutting but released them Saturday morning.

Police said they released the three because the injured boys could not positively identify the one who cut them.

Agents Grab Rebel Arms, Arrest 22

FORT LAUDERDALE, Fla.—Federal agents surprised nearly two dozen Cuban rebel sympathizers in the act of losing truncheons aboard a plane and charged 22 persons with violating the neutrality law.  
Two women were among the group seized with an abandoned B-17 bomber on abandoned Project Air Field last night.  
Rebel agents blasted a fleeing auto's tire with machine gun bullets, preventing the getaway of five of its prisoners. The airplane pilot, who identified himself as Roger Stodman, 41, of Miami, a native of Huron, S. D., vanished in a truck but was arrested later at a Fort Lauderdale bus station.  
Agents said a big assortment of rifles, machine guns, ammunition, medical supplies, bonds and food were placed aboard the plane as they watched from concealment.  
Some of the material was in packages marked "Fidel Castro." Castro heads the rebel army which dominates much of Cuba's Oriente Province.  
There was no immediate word on where the plane came from or who owned it. Agents said the last owner of available record was the Bank of Anchorage, Alaska.  
The two-engine plane landed about dusk in a wooded airfield which is being developed as an industrial site by Fort Lauderdale. Sharp-eyed residents of nearby homes telephoned Broward County authorities.

AMMAN (AP)—Jordan is expected to complain to the United Nations about what King Hussein called an attempt to kill or capture him in a flight over Syria.  
The Jordan Parliament was called in an emergency session to hear the retaliatory steps promised by the young king. He raced home Monday with United Arab Republic jet fighters in pursuit two hours after taking off for a vacation in Europe.  
While the U.A.R. was inclined to play down the incident Hussein emerged as a hero in the eyes of many of his people. Jordanians held wild celebrations of joy with bitter demonstrations against the U.A.R.

Accused Enters Innocent Plea

GASTONIA (AP)—Walter King, 26, of Rt. 2, Clover, S. C., pleaded innocent to charges of armed robbery in a \$6,800 holdup at the Myrtle Mills near here Oct. 13.  
King, accused of driving the getaway car in the robbery, testified at his trial he drove his brother-in-law, Albert Ledford, 33, also of Rt. 2, Clover, from the scene because he feared for his life.  
Ledford, who entered a guilty plea Monday to armed robbery charges in the same case, corroborated King's statement. Ledford asserted that he was not sure he was going to pull the robbery when the two men fled into the mill apparently seeking employment.

Back To Indians

PHILADELPHIA (AP)—They were discussing a 100-gallon steel yesterday.  
Harry J. Winfield said a round put in his collar cut out cutting him.  
"Couldn't you smell it?" asked U. S. District Court Judge James C. Hoff.  
"Yes, I did," replied Winfield "that's when I got suspicious and started looking around and found it."  
Winfield said he threatened to call police, but his friend, Clyde Boyd, promised to remove the bomb by the weekend.  
Federal agents raided the cellar before the weekend.  
Judge Knapp's reaction to this explanation was a six months suspended sentence, a \$250 fine, and three years probation.  
Boyd was fined and sent to jail last month.

Slow Steal

Whoever stole Charles Stockley's car didn't speed away from town. He drove Ledford to Savannah, Ga., after the robbery. Judge J. Will Pleas Jr. said he will sentence Ledford and Price after the jury returns a verdict in the King case. Ledford could draw up to 30 years.  
"Melton's jaws the downtown in Friday night '58" drew the U. S. Eighth Circuit.

Democrats To Search For Tax Leak Plugs

WASHINGTON (AP)—Key congressional Democrats are weighing a serious drive in the new Congress to plug long-standing loopholes in the tax laws in an expected scramble for added revenues.  
Faced with new government spending prospects and a massive budget deficit, tax experts regard such a move the only feasible alternative to a general tax increase.  
No host in either personal or business income tax rates is now contemplated.  
Retiring Secretary of Commerce Weeks renewed Monday a suggestion for a uniform manufacturers' sales tax. He said it would permit some cuts in both corporation and individual income tax rates and still increase revenue. But key House members see such a move as at best a last-ditch device.
