Children's help. Elizabeth school pupils, 903 in number, have given \$18.86, as compared to last year's donation of \$1810 from 1,027 pupils. Seven children's clubs and their staffs have given \$441.85.

Asked what had been added to the official list of donors, the official report Friday night, J. H. T. Falk, executive secretary, said a substantial amount had been added unofficially from all divisions.

Mr. James S. Wilcox, chairman of the district of Charlotte, said his division has had hard sledding. Last year's contributors for whose names the money was added to the list of donors, he said, had moved away, and some since the telephone directory was issued had moved to other parts of the city.

The winner of the school division cup is known but will not be announced until Monday night. J. H. T. Falk has donated a challenge cup for the leading neighborhood in the city.
