rapidly now that It is hundreds of miles

rapidly now that it is hundreds of miles from the base at Tripoll.
But if the British have the control of the Mediterranean they say they have, it is difficult to know how any such German force could have landed or how it could be supplied, unless through the French possessions. Pétain denied that yesterday, but the Vichy Government is so slippery that it cannot be assumed that he was speaking the truth.

Dense Deeds

Whisper-Or More There is an obtuse atreak in many Englishmen, and in some of them it acems to dominate. Take Lord Hallfax, the Ambassador to

Some Englanders Need a

the United States, We don't ourselves mind that fox-hunting costume in which he has been repeatedly photographed. Nor do we object to scenes of his lounging

about with the horsey social set in Wash-ington. A man has to have his relaxation — and if he likes that sort of thing, all

that America is preparing to back the war "to the last Englishman."

He may have his ground for argument, but, despite the fact that the London newspapers indignantly repudiate his

newspapers indignantly repudiate his statement and the Government sets out to suppress the book, the act will do England incaiculable damage.

The London newspapers suggest that Grey has siways been a Nazi admirer. But Nazi or not, somebody would do well to take him quietly apart and push him in the Thames.

The only conforting thing about it is that it makes the belief of a lot of credulous people in the supernatural skill of the British at propaganda as ridiculous as it really is.

Appearement Propaganda

bulletins of the German Library of It formation, official Nazi propaganda agency in New York.

That is not to charge that it is direct-

That is not to charge that it is directly and knowingly a Nari agency. So much has been charged, it has not been proved. That many Nazis and Fascinia have snuggled into the fold of America First is certain. But many of the members, like Fiynt and Hutchins, are undoubtedly honest isolationists. But the tone of the thing may be judged from an article by Mr. Albert Jay Nock. Mr. Nock is a hotel and facile writer who used to call himself a Jeffersonian Libertal and who wrote many little pieces admiring France. Lately, he has turned to warmly defending Germany. Says be:

#### Baxter

Me Furnishes Judge Curric With Worthy Opposition

he announcement of Councilman H. Baxter of his candidacy for Mayor alshes Judge Currie with worthy ostilon.

Sprostion.

Mr. Barter has been one of the most progressive members of the present Administration, and is probably the most logical man to carry the Douglas flag since the Mayor himself has made up

since the Mayor himself has made up his mind to retire from the post. We see by the papers that the fight is going to be a bitter one, but we can hardly understand why. The truth is like there are few real issues. The fall-ties of the Douglas regime to rid the city

sin of the Douglas regime to rid the cily since one, but the fact is probably that a green rather than any individual or strong of individuals is responsible for that—a system and a great many other factors which require to be tackled by more than the City Government if they was ever going to be done away with. Bit may case, we think Charlotte can reant on reasonable good government if wither Judge Currie or Mr. Baxter is steeded. It is not probable that either is ship to succeed in doing all the Good avernment forces have, somewhat expectly, in mind. But either is likely to see all that can be reasonably expected at fast can be reasonably expected as a good Mayor. a good Mayor.

## Weak Link Strong Labor Department Is Obvious Need of the Times

The House Military Affairs Committee going to quir Madam Perkins about the

ay in the defense program because of hes, and about the offerts of the La-Department to conciliate industry

we Department to conciliate industry and habor.

But Madam probably known little that at already common knowledge. Why the Bootstrell relates her as Secretary (Jahor is one of the great mysteries of a Animistration, unless he simply reads it face the rumpus Madam might best if she were dismissed. See hing, ago as the first sit-down close; it was clear that the Labor Derthiest was no place for a woman, and writing to a distinct one of Madam Perkin's unitarity one of Madam Perkin's unitarity and the country at it is a support of the country at the Labor Department rheds a land obtained made (country of like Ed is hard-boiled male (somebody like Ed Edirady) who talks the language of the men at the head of the unions and industry, none of them precisely

minimum, none of them precisely mile violets.

The President has so far got around addam's obvious unfiltness for the job of dealing with tough boys by systematically striping the department of its givers, so that concillation in labor disputes in low almost entirely out of her hands. But the result of that is to create a lot of sprawing and unce-ardinated machinery, with the Labor Department standing by and failing to discharge its proper function.

A strong Labor Department is the contract of the contra

swoper function.

A strong Labor Department is obviously one of the chief requirements for malsonal defence But the President continues to show not the slightest intention of getting rid of Madam Perkins
and setting up such a Department.

### Bad News

The Fall of Derna to Nasis Is Ominous for British

The fact that the Naris have reached the Argean seacoust does not perhaps mean much. The Thracian plain is not easily defended and the Greeks long ago castly detended and the Ureess long ago laid their plans to abandon this terti-tory in case of attack. The Nazl claim that the more splits Greece off from possible, aid from Turkey is nonnense. Actually, it places the Germans in a justition where they could be easily grushed—between—Turkish—and—Greece— Cores.

force.

What is more disturbing is the next from Yugualavia, where the Nazis have suparroily succeeded in doing much damage, to communications and where the retreat of the Slav army seems, temporarily at least, to have left the Greeks supposed to Hanking attack.

Perhaps most disturbing of all is the serie flat Derna, in thyse, has been takefully the Nazis, aided by the remnants of the Hallan army in that country. It begins to look now as though the British in the State of the Nazis and the Perhaps for look now as though the British.

citially, it places the Germans in a solition where they could be easily reinhed between Turkish and Greece Grees.

What is more disturbing is the next come Twychiavia, where the Nazis have paraeolty succeeded in doing much simage to communications and where the retreat of the Siav army seems, teme for retreat of the Siav army seems, teme for retreat of the Hard army seems, teme for the the Siav army seems, teme for the the Siav army seems, teme for the siave that Derna, in Libra, has been take they the Nazis, alieded by the remnants of the Hallan army in that country, it signs to look now as though the British as either dangerously weakened their require of us is that we hand over to them the hegenomy of the earth and agree to be reduced "to servitude as a labor-motors" for them.

Mr. Nock does not say precisely that he favors that formula for understand. Mr. Nock does not say precisely that he favors that formula for understand. Mr. Nock does not say precisely that he favors that formula for understand. Mr. Nock does not say precisely that he favors that formula for understand. TODAY'S RIBLE THOUGHT

If we say we have no sin, we decrive ourselves; and the truth is not in us.—I John 1:8.

# Side Glances

"I hope the Government will be reasonable about drafting you. Albert—surely ladies with beautiful coliffures must be important to the country's morale!"

# 

or hot. That is the same was convey question.

Dur people are envertheimstelly separate porting material and its British, mit by all polis that have been taken, they set with result decisionses opposed to ring into active was, or send into the countrying of ships which revertour specials would almost oversinly lead to shooting war. I believe the mason for the send of the send that is a reluctance to sak for the sacri-fice of lives. No other explanation beams to fit.

# WE DON'T MIND MONETARY COST.

We are not determined to be neutral.
We are the opposite. The gustemating fact of the whole situation is a strong popular desire that Germany; be, defeated.
Neutral

fested:

Neither do we object to sacrificing the war. We have code to sacrificing the war. We have robed to a \$700,000,000 Lend-Lease Bill as evidence of the knah of the month will have rowed to \$800,000,000 we don't we work we won't we said to rail for the least war and the cas. We are willing to showed took, without limit to hope defeat; Ritler.

AND WE DON'T OBJECT
TO KILLING GERMANS
Third, we don't object to baping hill
German. We are struggling despertable
to send as many bombers to England
as possible, not to take alght-seeing
cruises but to shower bombes on German
inclustrial edites.
Fourth, we don't object to becoming
involved in this war because 8; will
disrupt our economy. We are retoning
aluminum. Fixing prices, giving the
President enormous discretionary powers,
hreatening to take over industrial plains

alternhum. Itsing prices, giving the President encomous discretionary powers, threatening to take over industrial plant tide up by strikes, and Congress is even estitating for enactment or anti-lettual regulation against labor.— All to the end of hore-saing war production for use against Germany, Beyond that we have adopted conscription and are sending our young men into Army camps, forcing them to interrupt that; education or hield carrent. No, we are perfectly willing to turn our economy diside down to help England win the war, We are willingly taking much hearter saxistion in order to do all of this.

Thus, all of these reasons that might be advanced against our going into the war already have been set aside as having no ever the gaints the desirability of into no ever the gaints the desirability of

ing no weight against the desirability of crushing Hitler. I can think of no others except the one concerning American

### PRESIDENT MUST FACE THIS DECISION:

PAGE THIS DECISION

We have, in face of all that we have done, retained the neutrality restrictions on merchant shipping so that American commercial ships cannot ag into the war zone where they might be sunk. We still prohibit American citizens from traveiling on passenger ships of belity-erent nations because they might be lost. Whenever human life comes into the equation, we suddenly pull up in a dead stop.

In the last war, svents, such as the loss of American, lives in, submarine sinkings provided their own call to which

loss of American lives in submarine sinkings provided their own call to which the country responded. This time we have involated ourselves against such loss of ille. Unless Berlin begins a series of outrages against american cilisms in Germany, there is remote prospect of incidents that might stir the American people.

incidents that might stift the American people. It seems to me that the Administra-tion has resched the point spire it must do one of two things. It must either recognize that our aid to Britain will go no further, except as to quantity, or materiats, or des it must directly oull for the risk of some loss of life 1 thinks we have get down to the bedrock ques-tion.
