

Greek Service Is Held Here For James Miliakis

Unusual Rites Conducted
at Trinity Episcopal
Church.

Funeral services for James Miliakis, known locally as Jim "the Greek," who died Sunday night in a Lumberton hospital from meningitis, were conducted Tuesday at 2 p. m. at Trinity Episcopal church, Lumberton.

Probably Lumberton's first Greek funeral, the service was conducted by Rev. Nicandros Pinotsis of Charlotte. Some 25 Greeks from towns in North and South Carolina over a wide area attended the rites, which the priest conducted in native orthodox Greek. At the conclusion of the service in the church, the Greeks kissed a picture of the Virgin Mary, occupying the casket with the deceased.

The grave in Meadowbrook cemetery was entirely covered with lovely flowers. There the casket was opened, the body anointed with oil and incense burned. There was no music other than the chants of the priest.

Jim had made Lumberton his home for 20 years, leaving behind his wife and 2 daughters in Greece. They were communicated with before the burial. Local Greeks agreed that A. P. Page should administer on his estate, the Greek having a goodly sum in a bank account.

Among the visitors here for the funeral were Mr. and Mrs. S. M. Athans of Charlotte, who accompanied the priest. Messrs Athans and Miliakis were reared across the street from one another in Neohorion, province of Lancia, Greece. Last summer Mrs. Athans visited this place and saw Mrs. Miliakis and her 2 married daughters.

Family Of Victim Oppose Parole

Commissioner Has Pa-
role of McDaniel Lock-
lear Under Advice-
ment.

Raleigh, Oct. 6.—(AP)—Parole Commissioner Edwin Gill had under advisement today application for a parole for McDaniel Locklear, Robeson county Indian, after counsel representing the family of Henderson Oxendine, for whose murder Locklear was sentenced to a term of from 20 to 25 years in State prison, had registered opposition.

E. M. Johnson of the Lumberton bar appeared for the Oxendine family, while F. D. Hackett Jr., also of the Lumberton bar, argued the petition for Locklear.

Locklear was convicted at the October, 1933, term of Robeson county court.

Airport Station Has Management Change

Airport service station, just west of Lumberton on highway 74, has been purchased from Howard Nye by J. B. Bruton Jr., who will operate it under the same name and continue its automobile and lunch room service.

New neon lights, extending across the front and on either side of the station, have been added since Mr. Bruton took over the station, and the new owner states the dining room will be ready by the end of the week.

Mr. Bruton is assisted at the station by J. L. Jennings and M. A. Clark. The Purul line of gas and oil products is handled.

Proprietor of the Standard station on the Fayetteville road for 4 years, Mr. Bruton is succeeded there by Hoyle Daugherty.

Apples For Sale Davis Warehouse

50c a Bushel—Bring Your
Own Bags or Baskets.

Fairmont, Oct. 6.—During the remainder of sales on the Fairmont market the Davis-Vaughn Orchards will have on sale at the Davis Warehouse, several hundred bushels of York Imperial apples in bulk, hand picked, freshly picked from the trees. When you bring your tobacco to market, bring your sacks, baskets, or pick-up and get your supply of choice apples for the wife and children for fall and winter use. We have a man to wait on you promptly and the apples are stored in the leaf house, adjoining the Davis Warehouse.

You can buy these apples for 50c per bushel as long as they last. From 1 bushel up to as many as you want.

DAVIS-VAUGHN ORCHARDS,
By E. J. DAVIS.

Hood Motors Awarded Auto Service Plaque

A handsome plaque, faced with an engraved plate, has been awarded to Hood Motors, Inc., local Dodge-Plymouth dealers, for 100 per cent accomplishment of a new Dodge service program.

The program, developed by Dodge and Plymouth service directors includes cleanliness, factory-approved service equipment, proficient and skilled personnel, and other requisites to good service which are reflected in the Hood Motors service department.

Commenting on award of the plaque to his service department, John Hood, president, said: "It has long been our theory that the sale of a new car should merely serve as an introduction to the customer. The real function of the good dealer is to serve his owners after they have bought the car."

"Concentrating on this service plan, we have made every effort to develop each part of our service department to the point where we could honestly say, 'This is the equipment and these are the men to give our customers the best there is in modern approved service.'"

"Our repair and maintenance tools, lubrication equipment, and trained service men are reflected in the new 100 per cent plaque."

Green Charges Lewis Aims to Be President

Denver, Colo.—(AP)—William Green, president of the American Federation of Labor, said the C. I. O. was being used as the nucleus for a political organization designed to make John L. Lewis President of the United States.

"I appeal to the American people and the organized workers of America to choose between an unselfish, common sense political policy in labor and one dictated by unreasoning personal ambition, doomed from the outset to failure," Green said.

Green's speech Monday night was his second blast of the day at Lewis and his Committee for Industrial Organization. He opened the A. F. of L.'s 57th annual convention by pledging the federation to increasing war to destroy the C. I. O. and to support democracy against the type of dictatorship he said Lewis represented.

LICENSE REQUIRED OF SCRAP TOBACCO BUYERS

Farmers with scrap tobacco to sell should be sure that the buyer has a state license before selling it. Only state licensed buyers are permitted to purchase scrap tobacco in North Carolina according to a law passed by the last legislature and it is illegal for a farmer to sell his scrap on a warehouse floor unless it is tied into bundles.

State license to buy scrap tobacco costs \$1,000. The law was passed to protect the tenant from unscrupulous buyers who go from farm to farm and also the landlord who in many instances did not receive his share of the sale of the scrap. Those with scrap tobacco to sell are referred to an advertisement of the Lumberton Tobacco Redrying Co. in this issue.

Barrington's Broken Nose Cripples Team For Game Here With Laurinburg

Best Runner of Pirates,
He Will Likely Be Out
of Contest Friday.

SHIFTS ARE MADE
IN THE LINE-UP

A broken nose suffered by Joe Hill Barrington, yesterday in scrimmage cripples the Lumberton high school team for the game here Friday afternoon with Laurinburg high.

Barrington, who had been shifted by Coach C. P. Hatcher this week in a general shake-up of the team from blocking back to running back, appeared to be the "find" of the season. He was considered the team's best runner, and Coach Hatcher said with him running for the team the Pirates could have taken any ordinary high school team. Once past the line of scrimmage, Barrington has the ability to "sell out." It is hardly likely that he will be in shape for Friday. Against Laurinburg Charles Nye will probably be in Barrington's old position of blocking back, with Clarence Parker in the tailback position.

Dissatisfied with the performance of the team in the season's first 2 games, Coach Hatcher has changed Captain Carl Kite from guard to left end to replace Bruce McQueen and sent Paul Cranfill in to replace Kite at guard. Back at right end will be Douglas Pait, who has been out with an injured knee; Robert Parker had been replacing him. In the line Robert Parker will replace Cecil Barnes at right tackle.

Nothing is known here of the strength of the Laurinburg invaders. The Lumberton Pirates have taken defeats from Whiteville and Tabor City. The game is called for 3:30 at McLeod park. Barrington went to Thompson Memorial hospital to have the nose set and is back in school today.

Send Billy To Bed Hungry

In War Against Boll Weevil, Con-
sider His Food Supply.

By A. D. Robertson,
County Agent.

The greatest factor in all warfare is food supply. If the enemy's food supply can be controlled, then the battle is won. Therefore, in waging war against the boll weevil, if first consideration is given to his food supply, then he is practically whipped to begin with.

The infestation of boll weevil is in proportion to the number of weevils that winter over. That is, if a small number of weevils are carried through the winter, then the infestation will be light during the following season. At this time of the year the weevil is taking his last food and is preparing to enter winter quarters within the next few days. If his food supply is taken away from him before he goes into his winter quarters he will starve before hibernation, and as a result the infestation will be light next season. If he goes into hibernation poorly fed he will likely perish before spring or come out too weak to live till squares are set.

There are many fields of cotton at this time which have been picked. If these cotton stalks could be destroyed and the weevil on them now could be starved or destroyed, it would mean that the heavy infestation which we have had this year in Robeson county would not be repeated in 1938.

Practically every farmer in the county lost enough cotton this year by boll weevil infestation to make up the difference between what he is actually getting for cotton and 14c or 15c per pound. That means that the loss due to weevil is equivalent to the present drop in cotton.

Destroying the stalks now not only hedges against a weevil infestation in 1938, but it prepares the land because the stalks will be decomposed, thereby making the next crop cultivated much easier.

"Send Billy to bed hungry and you win."

SHIRLEY TEMPLE TO SHOW
AT CAROLINA NEXT WEEK:
TO START NEW SCHEDULE

Shirley Temple will come to the Carolina theatre here next week, playing Thursday and Friday, Oct. 14 and 15, in Rudyard Kipling's "Wee Willie Winkie." The announcement of her appearance on the screen is practically assurance of a large audience.

Beginning Monday, Oct. 11, the Carolina will inaugurate its winter schedule, in which night shows will begin at 7 and 9 o'clock. The 3:15 matinee hour will remain as at present, and Saturday showing hours will be unchanged, starting at 2 p. m. and running continuously to 10:20, after which special late shows begin at 10:40.

Mrs. Fannie Guy
Correspondence of The Robesonian.
St. Pauls, Oct. 6.—Funeral rites were conducted Saturday at Free Union church, east of St. Pauls, by Rev. S. B. Norton for Mrs. Fannie Guy, 40, who died Friday in a Lumberton hospital after only a few hours' illness.

Pallbearers were C. L. Ballance, Dudley Pitman, Jesse Norton, Jesse Sessoms. The grave was banked with lovely flowers, which were in charge of Mesdames T. J. McGill, R. W. Bledsole, E. O. Fisher, Misses Sarah and Marion McGill and Myrtle Odum.

Surviving Mrs. Guy are her husband, Beamon Guy; 5 daughters, Mrs. Raye Sessoms of St. Pauls, Misses Alma, Wilma, Tera and Elrose; 4 sons, Otto, Stewart, Fletcher and Cyrus, all of the home; her mother, Mrs. Mary Baxley; her sisters, Mesdames Bart Edge, Elex Edge, Carless Hollinsworth and Marion Guy of St. Pauls; her brothers, Harrison, Carl and Northrop Baxley of Rex.

Mrs. Guy will be greatly missed in her home and in her community.

DANCE THURSDAY EVE
Victor's swing band will furnish the music for a dance to be given at the Country club Thursday from 9 p. m. to 12.

Dr. Samuel Johnson, great 18th century author and critic, when asked if many men could have written MacPherson's "Ossian," replied: "Yes, many men, many women, and many children."
