

Communist

MEMORANDUM

Each group leader followed the commands of, and was responsible to, the Communist Party. The Communist Party worked under the direction of the Politburo, which had its headquarters in Hall Eleven, and which was in charge of all political work in the prison. A secret courier service with other prisoners. The organization, though invisible to the outside, was a tangible one. It was made up of men and women who were in the prison. It was there, behind the walls of the prison, that the Communist Party was active. The Communist Party was active in the prison. It was there, behind the walls of the prison, that the Communist Party was active. The Communist Party was active in the prison. It was there, behind the walls of the prison, that the Communist Party was active.
