Suit Threat Faces Dies

Step Considered by Board Official

WASHINGTON (AP)—The threat of a libel suit faced Chairman Dies, Democrat, Texas, of the House Committee on Un-American Activities today as a result of his charges that at least 25 high officials of the Board of Economic Warfare had been affiliated with Communist-front organizations.

AP's Clark Lee Reaches Australia After Adventures In Philippines

MELBOURNE, Australia (AP)—Clark Lee, Associated Press correspondent whose dramatic exploits in the foothills of Bataan were described by U. S. Army men as the best the war has seen on any front, has reached Australia to continue his work of covering the hero of the Philippines. Lee, a native of Oakland, Calif., joined the Associated Press in 1929. He was on his way home from serving in the Orient when the war with Japan caught him in Manila. His exploits in the Philippines were described in the New York Times and other newspapers. Lee, a native of Oakland, Calif., joined the Associated Press in 1929. He was on his way home from serving in the Orient when the war with Japan caught him in Manila. His exploits in the Philippines were described in the New York Times and other newspapers.

Charge Hospital Ship Attacked

TOKYO (From Japanese Broadcast)—An Imperial Japanese communiqué charged today a clearly marked Japanese hospital ship sailing unopposed into Keesing Bay, Dutch Timor, had been attacked by a Lockheed jet aircraft of the British Air Force March 25.

Report Jap Attack On British Convoy

LONDON (AP)—The Home Office in a broadcast from Exchange Street today said that an official announcement of a Japanese submarine attack on a British convoy sailing from Asia, reached the full power of their long distance offensive against coastal shipping and that an increased number of submarines probably would appear in American waters in the near future.

More U-Boat Raiding Expected With Advent Of Spring Weather

WASHINGTON (AP)—German U-boats, which have averaged a ship a day in American waters this month, can be expected to intensify their raiding in the weeks ahead as the weather becomes more favorable. The better weather will work both ways, naval experts said, explaining that it will be equally favorable for air and surface anti-submarine operations, with a resultant heavier destruction of raiders.
