Party Leaders Sound Olf For November

Roseveit, who holds the final power of selection, of the wis-dom of abandoning his partner. From every sign, they may al-ready have succeeded. Huzzah for the rebellion! Last week, in public forum em ocratic and Republican aders, Frank (Esky) Walker Statilizacj P rilikie) Spangler roared out heir keynote speeches of the oming Presidential campaign. as one would expect, these collections are the serious and the one would expect, these Col.

This is a time for great-ness. But Milleness has been in the saddle. This is a time for vision. But am-bition has ruled. This is a time for salt-forgetiamess. We have had vindictiveness instead. This is a time for an all-out, all' American unity, What we have had are nestly ordities in high are petty politics in high places and calculated in-

Oust Henry Wallace

Well, our Southern rebels, having falled to drum up a third Parly movement in their recent Washington session, have saken up the business of turning Henry Wallace out to pair—and replacing him with soid, reliable Dixie Democrat.
