But we think there will be little flagreement with the policy cutlined by Secretary Hull. So long as Finland fights by the state of the enemy, she must bear full responsibility.

The nation is under Narl and Paccial leadership, both native and German. This has long been fure, and if there were mixed semotions at the Russian trade against Finland following the bombing of Helsinki, there can be no doubt that the Soviet Is only taking its inevitable ourse.

Through the whole conflict, the United States has maintained diplomatic relations with Finland, lette can be no doubt that the Soviet Is only taking its inevitable ourse.
