Overseas Soldiers Get Home Leave Tips

By DON WHITEHEAD (Substitute for Irl Boyle) ALGERS, Feb. 22—(Delayed)—There is no longer any need for American soldiers returning to the United States to feel uneasy about what they will find in that strange land.

All the answers are condensed in a booklet known as a "Soldier's Guide" to the United States. It is compiled by an anonymous member of the 45th Central Postal Directory somewhere in Italy.

The booklet is a good review on all those booklets which the boys received when they left home, giving them a picture of Egypt, India, North Africa, Persia and other far away places.

Following is an expanded condensation of this new guide: Introduction. You have been assigned to duty in the United States and the help of this booklet will be of great assistance in your new environment.
