Hard Going

We would do well to discount ventally, Hitler's Western that Erwin Rommel has been House GOP T

that Erwin Rommel has been removed in discreptic after a quarrel with von Rundstedt are not significant, nor do they ring with -truth. Likewise, the case of the 500 missing Nazi planes of the 500 missing Nazi planes cluste OPA or bust, in extending the incommendation of the theory will be, soon.

Progress on the peninsula is slow, with the tides of battle they will be, soon.

Progress on the peninsula is slow, with the tides of battle tripping savagely back and forth. Our commanders are more than satisfied with results, budicating that the forces facing them are already considerable radical them are already considerable radical that a transparent that Hiller's reserve armies tould drive the Allies into the jean state of the forces facing time. There is only bravado, of ceurze, in the Spanish report that Hiller's reserve armies tould drive the Allies into the jean, and the forces facing time. There is only bravado, of ceurze, in the Spanish report that Hiller's reserve armies tould drive the Allies into the jean, and the forces facing time. But the they are held out and with each passing day becomes if the propose that the pareness in the Nazi fortress of Europe, or we would have been unable to breach the defenses and put ashore such great forces, sepcially on the American beachiness and a cearful glance toward Southern France, is forced to act with caution, and if his failure to loanned an immediate assault in Normandy permits our local and the one of the propose that the face of a hardon of the propose that the pareness in the nalad fight, and the propose that the propose that

ern France, is forced to act with caution, and if his failure to launch an immediate assault in Mormandy permits our local progress, that is not to be taken as a sign of weakness.

House GOP Trifling

Crackdown On Erie

Fractious de Gaulle Must Not Bar Our Progress

The International rumpus kicked up by the rebellious General Charles de Gaille, protesting Allied policy in Normandy, would seem to mark a political crisis in the war. We dare say it does not, and that it will be remembered as nothing more
