The Merry-Co-Round

By Drew Pearson

By Drein Featson.
Now is looks as if the trend were continuing in Louisians, where Bensier John Overten faces the fight of his life. Last time Overton ran for renomination, in 1933, he was unpoposed; had only 250 votes cast against him in the final election. This time, however, he faces two hard-shitting opnomenta.

## Onote, Unquote

WE know these Yanks and they will get us where we are sup-posed to be. That's the big thing in parachuting. It's a bad show if you do not know where you are

This is a draw for life. If I get home I got a good chance to come out of this thing alive. If I step, if they miss my number, I'm liable to get hell shot out of me.

were veil from reaching out according without With the full from a fit of status for the foot status for the foot status for the foot status for a filling of the future in a reflection of the future in a future for the future of the train there is only one good which for its lettings of all the performance of the future future future for the future of the future futur

And they have been ben-red tape and stiffed w'' theories beyond the lines were it not for watting money prosperity they a prostrate with despair (as togg) anything different in time than further shacking ital, further throttling ductive plant, further ferther genius of business in ment, which, in America is the wonders of the words the wonders of the worst individual but more of fit can be expected should the New Deal be returned to "rule." for the mirror that reflects the past foretrials the pattern of the future.

pattern of the future. When this American Business gione is really couled to a turn, who or what then will lay the guiden egg of jobs, which was a superior of the superior of
