

PERFORMANCE FOR JAPANESE METS CHIEF AT POTSDAM

The General Speaks Gamelin Says France Could Have Fought On

Even after her ultimate military mistakes in 1940, France could have withdrawn her armies to Africa and continued the fight...

By GEN. MAURICE-GUSTAVE GAMLIN PARIS (AP)—I am going to surprise you, perhaps, in saying this is the first newspaper article I have ever written...

In France, the army has traditionally been the "silent service." I was its commander...

The Vichy Government put great pressure on me in hope that, to defend the army I had commanded...

At Rome the aim was to incriminate the very men who had attempted to make up for lost time...

But now, in some short answers, I can throw some light on these problems...

What parts of France could have been held? That question, "What might have been," is not to us at two moments.
