

All About Traffic

Several months ago the State Highway Commission and the Federal Public Roads Administration told the City of Charlotte that, in order to obtain a chunk of Federal funds for the improvement of certain streets, it would have to have a traffic survey made...

Cotton's Decline

Strangers and outsiders might have looked at yesterday's report of North Carolina cotton acreage and assumed that The Old North State was upon hard times—in low cotton, as it were...

There are other pressures upon farmers in the state this year, to be sure. The big reduction of 50 per cent in the Eastern counties where 3,000,000 bushels of wheat...

It is not that the weather is so bad, but that the weather is so good that it is difficult to get a good stand of cotton...

Statesmen At Work

It is not that the weather is so bad, but that the weather is so good that it is difficult to get a good stand of cotton...

their high position as producers of bushels of wheat. Instead, that money values will remain high...

Change of Horses

Of all the strikes which have plagued the country in recent weeks, the newspaper strike alone seems to fit into a pattern. In scattered instances papers have been closed by what publishers and labor board members call ITU laws...

How Ford Aided Nazis

Dr. Albert told how the Ford plant in Cologne had been turned more and more into a German company, even though the majority of stock was still held in the United States...

A Choice He Can No Longer Avoid

Mr. Ford has to choose between two paths. He can continue to support the American position, or he can support the German position. He cannot avoid this choice...

The Merry-Go-Round

By Drew Pearson

WASHINGTON SENATORS probing the question of the extent to which American business helped Hitler, have unearthed a very interesting document written by Dr. H. F. Albert, chairman of the Ford Auto Works in Germany...

Pass The Biscuits Poppy

General Postmaster General Frank Walker became a very famous man for trying to bar the migration of "Poppy" from second class mailing privileges...

Expediency, East

It is not that the weather is so bad, but that the weather is so good that it is difficult to get a good stand of cotton...

The Charge Account For War

It is not that the weather is so bad, but that the weather is so good that it is difficult to get a good stand of cotton...
