Says Drafted War Warning Not Sent

WASHINGTON — (AP) — Navy Capt. A. H. Me-im said today that two or three days before Pearl oor he drafted a proposed warning to fleet commanders hostilities with Japan were imminent, but his super-

"No dispatch of this character was ever sent?" Senator Lucas Democrat, Illinois, asked.

"No sit." McCollum said.

Britain Swept By High Winds

LONDON — 42 — A gale of 82 miles an hour swept Britain leday, causing two deaths and forcing channel ships into shelter. The wind, which the Air Ministry said was the strongest in a year, felled trees, damaged buildings and disrupted transportation.

Two soliders were killed and two on an Army hut.

Calls For **Ouick** Action Favors Loan Of \$3,750,000,000

WASHINGTON — (AP) —
President Truman today asked Congress to vote \$3,750,000,000 loan to Britain, saying it would lead to expanded
"production, consumption and
employment and rising standards of living everywhere."
Urging prompt action on the
agreement, which also includes an
additional credit of \$850,000,000 setting lend lease obligations, Mr.
Truman said the loan will permit
