

5 Die In Army Plane Crash; 26 Spared In EAL Wreck

Two Ships Crash Near Washington
Only 2 Hurt As DC-4 Is Smashed

By ROGER D. GREEN
ALEXANDRIA, Va.—(AP)—Two plane crashes in a pea soup fog eight miles apart last night killed all five aboard an Army bomber but spared 26 persons who crawled from the blazing wreckage of a big Eastern Air Lines DC-4.

The planes, attempting to land under a 300-foot ceiling, struck within 40 minutes of each other in the scrub pine countryside near here, a few miles south of Washington.

Eye-witnesses said the DC-4, en route from Miami to New York via Atlanta, apparently hit a farmer's lumber pile as the pilot groped blindly through the dense fog for the landing. The ship crashed into a well house, ripped into a 2,300-volt high tension power line and burst into flames.
