Virginia Governor Drafts Power Company Workers

RICHMOND, Va. — (AP) — Governor William M. Tuck drafted an estimated 1,600 employees and officials of the VirginiaElectric & Power Co. into the state's unorganized militia today in an unprecedented move to avoid interruption of power service by a threatened strike Monday.

The Governor's action immediately elicited statements from labor leaders indicating the move would not go unchallenged.

President William Green declared in Washington the American Federation of Labor "will never acquiese" in Tuck's action, and E. J. Brown, president of the AFL Electrical

Hikes Announced

Pork And Beef Prices Going Up

WASHINGTON - (AP) - As the OPA announce illing price increases for most pork and for about a third all beef cuts today, the American Meat Institute declared at a survey indicated a housewife had less than one nance in five of buying meat at OPA legal prices.

Say Union Leader Wants Strike

WASHINGTON — (AP) — The National Coal Associa-tion said today there was no prospect of an agreement in time to "avert a strike" of John L. Lewis' 400,000 soft coal miners at midnight Sun-

coal miners at midmight Sun-day,

Lexis, president of the United
Mime Workers, has served notice
that the miners will not work after
Sunday without a contract.

The Coal Association's executive
secretary, John D. Battle, accused
Lexis in the statement of making
agreement but every effort to prevent an agreement any time soon,"
