Planning Board Maps Long Range Program For City

First Steps To Be Taken At Meeting On Monday

To Set Pattern For 20-25 Years

By DICK YOUNG
Charlotte News Staff Writer
First steps in Charlotte's long-range program of planning to meet the needs of the growing city will be taken at Monday afternoon's session of the Charlotte Planning Board...

Mr. Trice said that long range program will be given at Monday's meeting...

Everywhere that a growing city, such as Charlotte needs, ought to be included in such an extended plan and will begin to think and talk about these matters...

Among the items that will be discussed and included in the long range program will be additional police, fire, health, and welfare departments, more schools, and additional parks...

Mr. Trice said that the long range plan will be flexible but it is the hope of the planners to make it as definite as possible as a guide in carrying out the development of the city for the next quarter of a century.

Brazilians In Hostage
MOSCOW--(AP)--The Russian Foreign Ministry said it has released to Brazilian diplomats in Moscow until it is assured that the Government of Brazil has agreed to pay the \$500,000 ransom for the Soviet Embassy...

Canadian Fliers Make Unauthorized Landing
SEAWATER, Okla.--(AP)--The runway was glimmering like a lake with frost on the concrete when Canadian fliers landed at the Municipal airport here yesterday...

Before the control tower could identify the leaders of the raid, they had done their ground gear and came in for a hard and bumpy landing on the concrete...

Weather
Mostly cloudy and cool today with some light showers...

Wheat Tumbles Below \$3 Mark

By ASSOCIATED PRESS
Three dollar wheat disappeared in trading on the Chicago Board of Trade today as needed rains fell in major winter wheat states and the call for a special session of Congress continued as a price-depression factor.

However, cotton prices, which dropped sharply yesterday with grain, yielded to a rebound in the New York futures exchange...

What had been selling above \$3 a bushel all week. After nine consecutive days of gains, the Associated Press price index of 35 wholesale commodities fell yesterday to 200.01 from the record high of 200.77 reached Thursday, which was the highest price since 1938...

Two Held For Fraud
SOPHANTON, Pa.--(AP)--The Federal Government today accused a Wilkes-Barre, Pa., corporation of fleeing prospective home-owners, the Housing Foundation of America, Inc., and two of its officers, Otto Christian Westfield, Coudersport, Pa., and T. William Smith, Jersey City, N. J., a citizen of Canada...

McGuire said the defendants inserted advertisements in newspapers offering to sell 'terrible, long-lasting' dream homes with the intent to defraud a scheme and arrise to defraud persons then unknown to them who might desire to purchase a home...

Because of the pressure applied by persons who did not receive the homes after periods of long waiting, McGuire said that Smith was taken into custody in New Jersey a few days ago.

Housing Corp. Had Local Representative
The Housing Corp. of America is the firm for which Thomas A. Frank, Charlotte man, acted as agent in late 1945 and early 1946...

Robert B. Weston, postal inspector, said the defendants were arrested. Some of the witnesses rounded up by the government were army servicemen who testified they purchased the homes...

Quick Action Is Demanded By Truman

Price Curbs, Aid Abroad Urged
By JOHN M. HIGHTOWER
WASHINGTON--(AP)--President Truman confronted the Republican Congress today with a demand for 'prompt and courageous action' to halt runaway prices at home and snatch Europe back from the edge of economic disaster.

With this demand he coupled a sharp warning of his conviction that failure to act would lead to a depression in America and 'totalitarianism' in Europe.

Even before he spoke, and in Congress made it clear that the Democrats in the majority will have a fight on its hands over measures to be taken.

Will Honor War Dead
NEW YORK--(AP)--The combined forces of the New York City will join tomorrow in honoring the first of the nation's war dead in a memorial service...

Both the Army and West Point bands will participate in the service. After ceremonies in the park, the coffin will be returned to the pier with a motorized escort.

U.S. Flies Serum To Fight Cholera
TOKYO--(AP)--An American flag-borne transport plane left today on an 8,000-mile flight to deliver cholera serum to help battle epidemics in Arabia and Egypt.

Defense Fund Raised
HOLLYWOOD--(AP)--A group of actors announced today that funds for the American Activities Committee...

Hollywood Group Fights Charges
As we know it but actually a group of subversive agents of a foreign government...

60-Day Shutdown Output Of Whisky Will End Tonight

Plants With Capacity For Producing More Than 95 Percent Of The Nation's Whisky And Industrial Alcohol Will Close At Midnight Tonight For 60 Days

Industry officials generally predict no shortages or liquor price rises, citing large stocks on hand.

However, the AFL Distillery Workers' International Union announced that it has 'urgently requested' officials of the labor-management conference in Chicago Oct. 30.

Utah Plane Crash Is Under Probe
BY OTIS J. PUSEY
BRUCE CANYON, Utah--Six teams of experts probed carefully today through charred wreckage of a United Air Lines DC-6 plane in an effort to determine the cause of the crash which yesterday took the lives of 82 persons.

'Open' GOP Meet Urged
PHILADELPHIA--(AP)--Republican leaders setting up organization of their 1948 national convention heard from Governor Duff Delaney...

BODIES MUTILATED
The bodies, buried and unrecognizable, were found in a shallow trench...

ECTC Generates Power
GREENVILLE--East Carolina Teachers College is now generating electricity used on the campus, according to C. E. Barbour, college engineer.

State's Police Hunt Firebugs
WASHINGTON--(AP)--President Truman today proclaimed that the state of Maine is a 'firebug area' because of costly forest fires and authorized the Federal works agency to supply aid from surplus property.

Utah Plane Crash Is Under Probe

BY OTIS J. PUSEY
BRUCE CANYON, Utah--Six teams of experts probed carefully today through charred wreckage of a United Air Lines DC-6 plane in an effort to determine the cause of the crash which yesterday took the lives of 82 persons.

Representatives of United Air Lines, Douglas Aircraft, the plane's manufacturer, the Civil Aeronautics Board and other Federal agencies teamed off according to their individual abilities.

Appealing for an 'open' nominating party, the head of the big Keystone State convention delegation told GOP chiefs at a dinner last night 'we ought not determine the result of the game before we are in agreement on the spot.'

PHILADELPHIA--(AP)--Republican leaders setting up organization of their 1948 national convention heard from Governor Duff Delaney...

The bodies, buried and unrecognizable, were found in a shallow trench...

The mutilated remains were flung across the 7,300 foot plateau or blown into the 200-foot deep canyon just within the impact point.
