

Henry Wallace, The Wrecker

HENRY WALLACE'S nomination of himself as a Third Party candidate for President is... Henry Wallace encourages the GOP Old Guard to believe that the party does not need Dewey to carry New York or a liberal candidate to hold California...

Mr. Wallace already stands repudiated as a liberal and a progressive in the eyes of a vast majority of those Americans who once looked upon him hopefully as the successor of a Rooseveltian heir... His platform declaration for "peace and prosperity" already is regarded as a deceptive promise by all but a small following of his own followers...

It is clear to all observers that the Republican Party will be the chief political beneficiary of the Third Party bid... By raising that prospect in his ear, in the campaign...

Hope For A Tax Cut In '48

HAPPIEST word of the New Year that we are able to pass along is that the prospects for a tax cut in 1948 definitely are improving.

John W. Snyder, Secretary of the Treasury, gave an indication of the way the wind is blowing the other day... It is known that he is prepared to advise President Truman that the Administration should come out for an income tax reduction and for extension of the split-income concept to married couples in all states...

Joseph C. Harsch, writing in the Christian Science Monitor reports that economic advisers to the Democratic Party are making a new survey on taxes... They are saying that the economic picture has changed greatly since President Truman vetoed the two tax cut bills which the Republicans engineered in the first session of this year...

This news that a break in the boom is expected in Washington will come as a surprise to those citizens who have been optimistic...

Abel C. Lineberger's Memorial

NORTH CAROLINA, mother of many young geniuses, lost a noble son... This week in the passing of Abel C. Lineberger of Belmont.

Mr. Lineberger's life span covered the period from September, 1858, to Monday of this week, a period destined to be recorded as one of the greatest in the history of North Carolina and the South.

He came of sturdy stock. His father lived to the age of 96 and other relatives have almost reached the century mark... His forefathers came to this country from Alaska...

Subsequently Mr. Lineberger operated textile plants at Mount Holly and Tuckasee...

From The Christian Science Monitor

Alcoholics Anonymous

IT IS heartening to observe the marvelous growth of Alcoholics Anonymous in these days of increased drinking... At least one hundred new members were added last year in New York City...

AA brings into service the enormous resources for good of insiders who know the puzzling difficulties of compulsive drinkers... They have also learned that the alcoholic can do the most to better himself. They

beneficiary of the Third Party bid... By raising that prospect in his ear, in the campaign...

Republican elation over the Wallace bolt from the Democratic Party is mixed with discomfiture over the pointed demonstration of the fact that the primary Communist element in America prefers the GOP to the Truman Administration... It is undoubted pleasure in the Communist ranks over this development...

It is clear to all observers that the Republican Party will be the chief political beneficiary of the Third Party bid... By raising that prospect in his ear, in the campaign...

Political cynicism aside, the election factor is not the only thing that strengthens the case for a lower Federal tax bill in 1948... Our economic position at the end of 1947 increases the opportunity for a tax cut in 1948...

What Is Going On? CHARLOTTE. YOU can sit by your radio and hear what is going on in the world... Even though you do not know the names of the countries...

SUSTAINABLE RELIEF PROPOSALS

THEY HAVE recently noticed in the paper an item which it seems to have been kept a careful secret by the Administration... It is a plan to send money to the Communist nations...

And it made my blood boil when I saw that among those with their hand out, were Switzerland, Portugal, and Rie... All three of these countries stayed out of the recent war, and literally grew rich on it...

Take Switzerland for example, they have gotten rich out of every war that Europe has seen, and during the war they literally flooded this country with cheap watches...

Portugal, situated on a hilarious expanse all during the European war, and when administration started the downfall of this country by dragging us into the European war...

And it made my blood boil when I saw that among those with their hand out, were Switzerland, Portugal, and Rie... All three of these countries stayed out of the recent war...

RECOVERY PLAN HOSPITAL

THE challenge to this country must stir the emotions of any American who has pride and confidence in America... The conclusions above, however, have in them nothing of emotion...

STUPID RUSSIA. We are in the zone of the war between the Soviet Union and the United States... A policy of territorial aggrandizement and political and economic warfare against the West...

Barnet Nover Schuman & de Gaulle

WASHINGTON. I'D not take long - less than a month - to end the truce that existed between the de Gaulle and the Schuman...

When Schuman presented his cabinet to the National Assembly on November 28, the de Gaulle refused to give his assent...

On December 23, less than a month later, the benevolent new ruler of the de Gaulle toward the new government came to an abrupt end...

THE occasion was the vote on a vital clause in the government far-reaching anti-inflation measure, which aims to impose on France an austerity regime similar to that which has long obtained in Great Britain...

The de Gaulle found little to their liking in the anti-inflation measure as a whole...

When that provision came up for their vote, the de Gaulle and his followers at least, lined up with their former enemies, the Communists...

It is the great majority of the de Gaulle in the Chamber are in the same line...

What does not tell the whole story is that the de Gaulle's opposition to the Schuman regime...

THE success of the Schuman regime in France has been a surprise to many observers...

THE success of the Schuman regime in France has been a surprise to many observers...

Drew Pearson's Merry-Go-Round • Schuman Gains In Popularity In France

(NOTE: Drew Pearson today awards the Brass Ring for one free ride on the Merry-Go-Round to the Premier of France, Robert Schuman...)

PREMIER ROBERT SCHUMAN, the foreign-born Frenchman, has suddenly become the most popular man in France last month, now won so much popular approval that the de Gaulle forces are getting worried...

The new Premier, who managed to settle the French strikes by getting together with the Communists, has never heard of Drew Pearson, although Schuman continues to get the cold, lean months of Winter...

Another charge the Communists have hurled at Schuman is that he served under the Vichy Government during the war... It is true, but it is not a crime...

one of the first French leaders imprisoned by the Germans... Schuman finally managed to escape from Germany...

THE success of the Schuman regime in France has been a surprise to many observers... It is the great majority of the de Gaulle in the Chamber...

What does not tell the whole story is that the de Gaulle's opposition to the Schuman regime... It is the great majority of the de Gaulle in the Chamber...
