

Soviet Snakeup May Herald Shift In Red Tactics

Molotovs Replaced By Vishinsky World Diplomats Left In Dark

By ASSOCIATED PRESS Russia released V. M. Molotov as foreign minister and A. I. Vishinsky as foreign trade minister, opening today a new era in world politics which might herald a shift in Soviet tactics.

Both remained members of the ruling Politburo of twelve men and sub-deputy prime ministers, so far as the unembarrassed Russian announcement made known.

The emergence of acid Andrei V. Vishinsky as new foreign minister was anything but a bargain for the West. His investive against the end war into a shooting war, however, how the biggest Rus-
