THE ROLE OF THE INFORMER

THE role of Freda Uley, a former member of the Communist Party, took as its subject...

General George C. Marshall, who has been called "architect of victory"...

When Mary Tudor became Queen of England, she re-established Catholicism as the state religion...

These "converts" never seem to be content to take a middle of the road course...

MISSION TO MOSCOW

AS IF in answer to recent suggestions that the United Nations continue its work without Russia...

No Polignana, L. recognizes the gravity of the immediate situation...

He hopes that it will still be possible to reach an agreement in the UN...

REGISTER! REGISTER! REGISTER!

IT IS INDEED amazing in a time of such momentous local, state, national, and international events...

One reason for the small registration is undoubtedly the confusion which has resulted from the rearrangement of precincts...

Today is the second of three registration days. Next Saturday, May 13, is the last day.

BACKING WORDS WITH ACTION

THE "hot-rodder" appears to be in for a rough time hereafter in the city of Atlanta. The Police Department is backing words with action...

We trust, of course, that the patrolmen who drive these powerful new vehicles will exercise the utmost caution...

to pull down everyone else in sight—even the General Marshall.

We do not mean for one moment to ignore the information of these former subversives. We believe, as do all law enforcing agencies...

At no time does an outstanding police department or agency allow the informer to capture the main spotlight...

No, the value of the informer, whether in ordinary crime or in treason, is unquestioned; but to slowly allow these informers to become favored citizens among us is as wrong as it is dangerous.

It was only one possible and to that end, a visit to Moscow by the Secretary General of the UN will serve to brighten that bleak picture...

LEGISLATIVE MAIL has shifted in the last couple of weeks from the almost monotonous call for economy to protest over postal cuts.

SENATOR HOEY'S famed 5-percent hearing last Summer did a lot more than insure his reelection...

ODINITY of the Week: A release from the Graham office...

WHAT query has been Bob McNamara's "biggest belly laugh" he had in months?

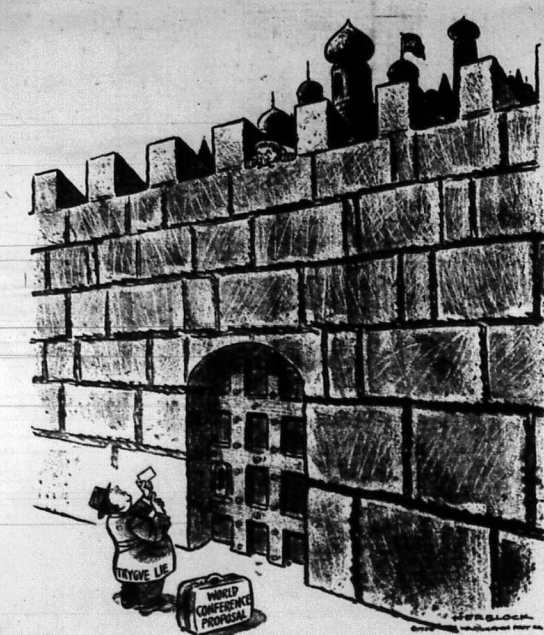

WHITE HOUSE advisers set up late trying to get a final decision on the President's small-business message before he left on his Western trip.

Both sides, however, agreed on one thing: to make the joint committee on the economic report was established.

To remedy this, it was proposed to put the RFC in the hands of the Federal Reserve Board.

NOTE—There's growing sentiment both inside the Government and on Capitol Hill to abolish the Reconstruction Finance Corp.
