TURNING THE TABLES

BRITISH Delegate Sir Gladwyn Jebb took over the presidency at the United Nations Security Council on Friday... (3) rejected a Soviet proposal to invite representatives of North Korea...

The fast action came after a month of haggling and debate under the presidency of Soviet Delegate Jakob Malik... Sir Gladwyn is a clever parliamentarian, fully as skillful as Mr. Malik...

MR. DEWEY CHOOSES TO RUN

GOVERNOR DEWEY's decision to cancel his plans for retirement and try for a third term as Governor of New York... It is of importance to the upcoming election in New York State...

THE JOHNSTON MEMORIAL

SOME TIME AGO it was the custom to honor a deceased citizen of importance with a statue... The latest evidence of the trend was the announcement that the estate of the late Richard Horace Johnston...

PROFESSIONAL ARMY FOR U. S.

THERE is any lesson that the war in Korea has taught, it is the need for well trained troops ready for action... The United States had a well trained and well organized Army when the war ended five years ago...

Universal military training, about which there is much talk now, would be good for the country, and good, too, for the young men who engaged in it... What is needed is a professional Army with the very best army in the world...

nia's support for North Korea. After all, that is now a primary objective of the free nations to convince the world, especially in the Far East, that Soviet Russia is really the power behind the North Korean invaders... Last week the democracies turned the other cheek to complaints to their own benefit...

All of the events add up to a week of impressive victories for the free nations in the Security Council... And it is of importance to the nation, in announcing his decision to run again, Mr. Dewey said that the U. S. needs a strong opposition party...

And it is of importance to the nation, in announcing his decision to run again, Mr. Dewey said that the U. S. needs a strong opposition party, especially in this time of world-wide conflict... A good many experts have "written off" the Republican Party as a result of its five successive defeats in Presidential election years...

facilities it is true that the Young Men's Christian Association has accomplished much toward providing wholesome social activities for the area in its East 36th Street branch... The program is to be supervised by the YMCA as an extension of its 36th Street branch... We can think of no more fitting memorial for an outstanding citizen.

ing and should be put through frequent practices and maneuvers. It should have an enrollment of at least half a million. Of course, in the event of a major war, there would have to be a much larger Army than that... Plans for the new building, to be erected in the 2900 block of N. Caldwell St. adjacent to the Spencer Memorial Methodist Church...

People's Platform

Wishes the recent Harry Bridges farce a sever... Here we are in every nook and corner of America wrestling with juvenile delinquency—lighting and cussing each other about prohibition and a job of other things... The Chapel Hill Branch of the W.I.L. would like to meet to the United Nations Charter, Chapter 4, Article 33, Section 1...

THE Gardner-Webb Miracle Farm Day project was a great success, even though the weather was very unfavorable... On behalf of the Shelby Lions Club and the other agencies that assisted in promoting this project...

JUST BEYOND the MP post on the still burning hills of North Korea with their heads bowed... The young men who had been killed in the dawn battle, when the enemy division, then minus almost all its regular infantry, had halted the enemy advance on Yongsan's fringe... It had been the old story—a green American division and a grey Chinese trained to meet the hard test of combat...

THE COUNTER-ATTACK On the afternoon after the rout, the counter-attack was being organized... In the morning, we had watched the first unsuccessful effort when the idea of a rear attack had been pinned down by cruel fire and had then run back in spurts across the rice fields, some dropping as they ran... In two minutes, you open fire and the enemy's attack is stopped...

At the turning where the road surmounted a rise and commanded a wide prospect, a tank captain of an infantry company were wondering over a map... In two minutes, you open fire and the enemy's attack is stopped... The tank captain, standing still at the end of his explanation, the men who had reached the front positions, the infantry on the road moved up a little... The tank and machine gun opened up... The tank captain, standing still at the end of his explanation...
