Rail Traffic Paralyzed By Spreading Lockout Red China Labeled Aggressor In Top-Heavy Assembly Vote

By MAX HARBELSON
LATEST SUCCESS—The United Nations assembly voted today to condemn Communist China, 49 to 9, in a vote which was a warning to Britain to go slow on sanctions raised in a question as to whether they should be applied to the assembly vote was 44 to 10. The same as the ballot in the political committee Thursday night. The five Soviet bloc countries were joined by India and Burma in voting the opposing vote. Eight countries abstained and one—Saudi Arabia—was recorded as not participating.

Today's action brought to an end the present phase of the diplomatic battle which was touched off by a report from Gen. Douglas MacArthur twelve weeks ago that the Chinese Reds had intervened in the Korean conflict.

1. Decided that Communist China engaged in aggression in Korea.
2. Requested a Committee on Collective Security to study what do about meeting this aggression.

3. Approved creation of the good offices committee to consist of Assembly President Nicholas Khrushchev and two other members from Iran and two others whom he will name.
4. Called on the Peiping regime to withdraw its nationals and stop fighting U. N. forces.
5. Affirmed the determination of the U. N. to continue its action in Korea to meet the aggression.
6. Called upon all states and authorities not to help the aggressor.

Bill Introduced In House Statewide ABC Vote Asked

RALEIGH—A bill calling for a statewide liquor, beer and referendum was introduced in the House today. Rep. Walter E. Crummett of Guilford sent forward the measure, which would require a vote of 25 other representatives.

At that time the voters would be asked to vote on whether the sale of liquor, beer and wine in the State completely or to permit sale in certain areas.

Rep. Burt Harrison of Craven introduced a measure under which taxpayers could deduct the amount they pay in federal income taxes in figuring personal income taxes.

The measure was amended, however, to allow a deduction of \$100,000 per year for each taxpayer.

State Board Should Set Teacher Pay, Board Says

RALEIGH—A Senate committee today said the task of setting teacher salary scales should be turned to the State Board of Education.

Another committee approved a measure to allow one or more alternate jurors in criminal and civil cases.

The teacher salary action was taken by a Senate subcommittee in the form of a resolution which referred to the Joint Appropriations Committee seven bills sponsored by the United Forces for Education.

Rep. Burt Harrison of Craven introduced a measure under which taxpayers could deduct the amount they pay in federal income taxes in figuring personal income taxes.

KNOW FEBRUARY

Why is February, shortest month of the year and normally not so cold as January, usually the snow State? Because an air current from the north, heavy snow must be drawn in from the north by a large body of water. And the snow is melted by the sun and the heat of the oceans and Great Lakes.

Payments Start In April Life Insurance Dividend Set

By VERN HADLAND
WASHINGTON—The Veterans Administration (VA) said today it will distribute a \$680,000,000 life insurance dividend this year, starting in April.

The announcement of the dividend, which has long been awaited by World War II veterans, holders of the \$100,000 National Service Life Insurance, who are eligible for checks.

VA said the payments will occur throughout the year on the basis of the policy anniversary date. The formula for paying the dividend is based on the number of months the policy has been in force. The amount of each dividend will vary according to the number of months the policy has been in force. The plan of insurance, the face value of the policy and the age of the insured at the time it became effective.

AN EISENHOWER FAMILY PORTRAIT

Gains Made By Other UN Forces Offensive Hits Main Defense Line

By OLEN CLEMENTS
TOKYO—(AP)—Allied forces in bitter hand-to-hand fighting crunched ahead as much as three miles today in Western Korea, but a French-American combat team was trapped by superior Chinese forces in another sector of the war front.

There were increasing signs that the eight-day United Nations limited offensive had slammed into the main Red defense line south of the Han River. The Han flows along the southeastern outskirts of Seoul.

'Ike' Urges Aid To Rejuvenated Europe High Winds Hit Winston-Salem

WASHINGTON—(AP)—Gen. Dwight D. Eisenhower said today Western Europe has "the spirit to resist" any Russian aggression and declared the United States must help build the necessary defense forces.

As to whether that job can be done, Eisenhower was supremely confident in an address to an informal joint meeting of the Senate and House in the Library of Congress.

WINSTON-SALEM—(AP)—A sudden gust of tornado intensity struck the tobacco market section in downtown Winston-Salem around noon today, causing widespread damages to roofs, store windows and parked vehicles.

Wiley Sims, meteorologist in charge of the weather station at the Smith Reynolds airport, said a north of the city, shifted the wind there at 1:30 p. m. to a southwesterly direction.

Ex-Gen. Meyers Out On Parole

WASHINGTON—(AP)—Bennett E. Meyers, former major general in the Air Force, was paroled from prison today.

Since 1948, he has been serving time in the Federal reformatory at Lorton, Va., after being convicted of inducing a civilian to join the Communist Party.

He was immediately picked up by U. S. marshals to answer a Federal income tax evasion indictment pending against him at Baltimore.

Meyers, removed from Lorton to the Federal House of Detention at Lorton, Va., after being convicted of inducing a civilian to join the Communist Party.

Another Atom Blasfemy

LOS VEGAS, Nev.—(AP)—Lighting the pre-dawn sky with a blinding flash, the atomic bomb exploded in less than a week was touched off today at the Government's sprawling test range north of the city.

Windows rattled in homes and roadside buildings trembled in the gambling palaces, but there was little excitement that police reported not a single call of inquiry or alarm.

A spokesman for the Atomic Energy Commission said that 17 of the 18 nuclear tests were successful.

He said the tests were successful in showing that the atomic bomb could be used as a weapon of war.

Higher Fuel Prices Loom Coal Miners' Raise in Effect

WASHINGTON—(AP)—A pay raise in the coal pits went into effect today without interference from the Government, which eventually the money will show up on consumers' check books.

On the other side, Senator McFarland of Arizona, the Democratic leader, said Eisenhower was behind the standards that Congress should follow in providing assistance to the defense force.

He was immediately picked up by U. S. marshals to answer a Federal income tax evasion indictment pending against him at Baltimore.

Meyers, removed from Lorton to the Federal House of Detention at Lorton, Va., after being convicted of inducing a civilian to join the Communist Party.
