

Dear Employee:

An opportunity to better employee-employer relationships is found in the writing of letters, claims, Business letters, and Dawson of the Associated Press. But there is a technique to it. Turn to Page 2A.

IS IT WET ENOUGH FOR YOU, MAC?

Droughts are one thing that UN forces aren't worrying about in Korea, for there General Mud has taken over. The infantrymen riding the tanks (left) on the East Coast frontier try to keep off some of the rain. And the Marines (right) assembling in a rice field for another assault on Red troops, find it almost as bad even when the sun breaks through. Note the steam rising from the ground after almost continuous rain. (Acme Telephotos.)

Highway Demands Stagger Governor

RALEIGH — Governor Scott asserted today that pressure for new North Carolina roads, specifically by-pass around cities and towns, is "getting terrific."

Stay Asked For Doomed Nazis
