be was no "McCarthy stoogs."
The outburst came after Welker was named to the
subcommittee to investigate the tacties of his buddy, Joe

The outburst came after Welker was names to unsubcommittee to investigate the tactics of his buddy, Joe McCarthy.

"I don't know what to tell my daughter when she hears all these things the columnists and commentators are calling me," the Senator from Idaho commentators are calling me, the Senator from Idaho commentators are calling me. Margaret Chase Smith of Maine.

"Why. Pr. no more bissed in favor of McCarthy than Mrs. Smith," he said.
Note-Mrs. Smith is the author of the famous "Statement of Conscience" opposing McCarthy's unser tactics, and had favores an investigation of McCarthy from the very first.

Moscow Feud

A MBASSADOR Alan Kirk, retiring as ambassador to
A Moscow, has handed in a sensational farewell repet
that a deady feud has broken out in the Pollibure over
who is to succeed Prime Minister Stalin.
Kirk renorth that Molotov and Malenkov, the Soviet

production boss, are openly vying for power and lining up-support within the Polithuro for themselves.

Stalin is reported enjoying the spectacle and so fas-has made no move to intervene or designate his successor.
Winner of this grim struggle undoubledly will be the man who gets the support of Marshall Petra, beed of Russia's secret police. As yet, Berta has stayed out of the fight.

EISENHOWER'S ABSENCE A HANDICAP

Eisenhover must be sware that there are many millions of Americans of all political many millions of Americans of all political to wise for him. They feel he stands above the hitter partiamy of this difficult posture rea. They consider him better qualified for the Presidency than any other man. on the scene. They think he stands the best chance of governing the nation with the support of the majority. They see in him a railying point, an anchor to which their drifting faith in our political system may be firmly fixed. But against this warm evidence of nooutlest

CONSISTENCY being the hobgoblin of little minds, we tender to Governor Jimmy Byrnes the right to change his views. But he would be more convincing in his attack on "big government" if he confessed from time to time his role in making govern-

ment". Well, let's see.

The biggest thing in government today is
the defense program. It is predicated on an
assumption of our world responsibilities, and
it dates back to the months prior to the outbreak of World War I when the America
people threw off the shackles of isolationism

In THEORY, the Congress represents the will of the people, expressed through their duly elected representatives. In practice, the Congress represents only a portion of the people, and a minority portion at that. In the 1800 Congressional election, only 42 per cent of the American people of voting so betherd the cent hallott. They was the

In the 1850 Congressional election, only 42 per cent of the American people of voting age bothered to cast ballots. That was the nationwide average. One reason it fell so low was the shamefully apathetic attitude of Southerners, the by-product of the one-party

THE EARLIER JIMMY BYRNES

FRIDAY, FEBRUARY 8, 1952

Since President Truman will not relieve assignment in order to seek the Republican Presidential gommation, it will be up to the General to make the first move. We believe the time is near when he should ask to be relieved.

Siesnhower must be sware that there are many millions of Americans of all political beliefs who are longing for an opportunity to wise for him. They feel he stands above the hiteraction of the control of the political opinion powerful enough to sweep the convention. The problem for the Eisenhower was the stands above the hiteraction of the interface of this difficult measurement.

BY-PRODUCT OF THE ONE-PARTY SYSTEM

wave.

If General Eisenhower fully comprehends
the warmth and the depth of the feeling for
him, he will not hold to his decision not to
sak relief from his assignment. He will reaize that his supporters deserve his active
sectionstein in the pre-convention struggle. irom his assignment. He will realize that his supporters deserve his active participation in the pre-convention struggle. And he will free them of the handlcap that his absence and his enforced silence put upon them.

son as Majority Leader, who handled many a ticklish Administration measure behind the scenes. Syrnes was never known as a po-litical reformer. He voted in 1940 to rescind the bans in the Hatch 'clean federal politics' act of 1939 and against the Hatch 'clean state polities' act of 1940. In 1938 he, had voted against extending civil service for postmasters.

voted against extending civil service for postmasters. Form a state where Prohibition and the property of the

passing interest to any region that offers itself freely and indiscriminately to that

party's pleasure.

If the day ever arrives when the South becomes a battleground for votes, when 80 or 60 or 70 per cent of the eligible Southern voters march to the polls to express their preference, the region will once again regain a positive voice in national affairs. Let us not complain about the scornful and disdainful attitude of both major parties. Let us break the shackles that bind us to the one-party system.

A PPARENTLY Policeman J. W. Cleapor's A New Hampshire Red hen is not doing what comes naturally.

The green eggs she keeps dropping are the result, asy a Siate College expert, of "genetic reversion", which means that some of her inherited genes have gotten scrambled up. It's a rare thing in chickendom, he adds.

Though it hasn't been recorded for poster-ty, we wonder what Officer Cleapor's first

ity, we wonder what Officer Cleapor's first reaction was when he discovered the oddity. Did he exclaim, "What the shell?" Not being rooster such things did he think his hen was playing a yolk on him? Did he realize that commercial exploitation of the phenomenon might feather his own nest?

—Or—and we're simest sfraid to pullet—did he eachle with joy?

Probably the latter, for Officer Cleapor has been clucking ever since he found the first tinted offering. And we suspect he's humming the old ditty, "Just Capon Doing Whatcha' Doing".

Percentage HOW TO LAY AN EGG

insent in true dut its implication can be quite misleading.

On trial in New York are some former criticals accused of demanding payments before they would grant permits to insent on burners or other heating equipment.

One witness at the trial said he balked at making the payments. He was informed that his permits would not be forthcoming very soon. This meant that everal contracts on which he was working could not be finished on time and the delay would be very costly to him. So he paid.

Well, the contractor, strictly speaking, ought not be have paid. But the situation is not one where a crooked citizen sought out a public efficial and corrupted him. The
