

Braves Hope For Better Showing

at Cincinnati he batted .278 and drove in 32 runs, including 13 homers. Bill Bruton, 23-year-old Negro speed demon who hit .325 at Milwaukee, appears to have won the center field job. Sam Jethroe in left field, of course, will be the right fielder.

Behind Warren Spahn, the south paw ace (14-9), the pitching in only so-so. Max Surkont (12-13), Jim Wilson (12-14), Vern Brickley (7-12), and Antonelli are the starters.

Odon Liddle, a southpaw with a 17-4 graduation ticket from Milwaukee last season, also rates for a spot on the staff. He led the American Association with 159 strikeouts.

McCracken dashed into the controversy with the charge the fouls were on the official books and couldn't be changed.

"We are your guests and you have no right to take advantage of us this way," McCracken stormed. "You have no right to rob us."

The score stood 53-52 for Kansas when the rharub developed and it was just about that close throughout the furiously played game between the hard-pressing teams.

Indiana tied 49-49 at the half and the Hoosiers were in front 55-52 at the three-quarter mark. Don Schlundt was the bandleader in Indiana's championship march with 30 points. Born capped 26 for four in the fourth quarter.

Leonard Hits In Clutch. The climax came when Dean Kelley drove in for a fielder that tied the score 58-58 at a minute and a half after the game had resumed.

Leonard missed his first pop, but dropped in the second try. Kansas' chances of pulling another one out of the fire finally getting substitute center Jerry Albert's lone one-hander from the side failed to connect with the time running out.

Although Kansas' Clyde Lovellette's tournament record of 141 points set in four games over the test this time, Indiana figured in setting three meet records.

The Hoosiers' 310 points for the four games topped the 307 made by Washington in winning the consolation event. Illinois had the old record of 298 in 1951.

Indiana cracked the four-game free throw record with 108 success-frees and Schlundt made an individual free throw record of 49 for the tournament.

Washington, upset 79-53 by Kansas in the semifinals, had little trouble beating Louisiana State as
