CONGRESS CAN'T PASS THE BUCK

IT IS DIFFICULT to follow those Congressmen who seem so horrified at the idea of increasing the national debt limit beyond the present \$275 billion figure.

UNMSTEAD SET FAST PACE FOR NEW BOARD

A GOOD MANY THINGS happened at the Morehead City meeting of the Conservation & Development Board that hold promise of substantial achievement during Governor Unmstead's administration.

WHY AMERICAN THREAD

A DETAILED story of American Thread's new finishing plant at Sevier, N. C. in the current Textile Bulletin tells of the company's three-year search for a plant site.

A DOG'S LIFE IN MECKLENBURG

CHARLIE, the big, friendly collie from down the street, and his friend Tinker from across the way met at the willow oak on the bottom of our lot the other evening.

BALL PARKS NEED 'NO EATING' STANDS

IT'S ABOUT TIME that "organized baseball" set a firm footing on the issue of installing eating and non-eating grandstands at the ball park.

would permit him to decide which and how much of the various appropriations should be spent.

There is nothing sacred about the \$275 billion figure. Once the limit was as high as \$500 billion, and the country wasn't wrecked. It won't be wrecked this time if it is raised to \$285 or \$290 billion.

A CHOICE

HARRY FLOOD BYRD, U. S. Senator from Virginia, quotes J. Edgar Hoover, as saying that the FBI knows of no minister being proved to be a Communist agent or convicted as one.

CHOSE N. C.

facilities, including rail transport, freight and express service, as well as efficient mail service.

members of the Mecklenburg Canine Society got our inoculations from veterinarians-licensed ones, too.

"Well at any rate," parried Tinker, "I can't defer to you on this, as the maintain one set of rules for county dogs and another for city dogs. Now, I just don't know whether these laymen can give an inoculation as well as a veterinarian, but as my dog can plainly see it doesn't make much sense to have different policies on this business of rabies control."

Drew Pearson's Merry-Go-Round

IT went unnoticed in the WASHINGTON press that the appropriations bill, but the Senate Appropriations Committee has promoted its favorite amendment.

Korea Proved His Mettle

THE AMERICAN fighting man... By ERIC SEVAREID... From a CBS Broadcast.

Midwestern May Calm His Fears

CHARLOTTE, N. C. Editors, The News: While in Indiana recently I read a story which was in a national newspaper.

Ike Wants Adjournment

REASON why Congress is so impatient for adjournment is that it kills some of the older Senators, boils down chiefly to one thing—like wants to get Congress out of here.

American Policy in Europe May Be Based On Wishful Thinking

By STEWART ALSOP

THE GRAND objective of American policy in Europe look more and more like so much pipe dream. It is not clear that these aims are actually to be achieved, you must presume a whole series of acts of faith.

ACHESON POLICY FOLLOWED The ground has moved, moreover, since the Autumn of 1950, when Mr. Acheson, as secretary of state, initiated the policy which the new Administration is pursuing.

Refugee Immigration Bill Is Full Of Deceptive Gimmicks

By MARQUIS CHILDS Secretaries of State and Defense when admission of an alien without a documented history is determined to be in the national interest.

Ike's Luck

"IKE is a lucky guy," opined one GOP leader. "Stalin waited for him to take office, now he's lucky, leaving Russia in a lather. The Red knows of Ike's new luck, and he's been waiting for a Democratic opposition that doesn't know how to fight."
